

Graduate Admission

Graduates holding a baccalaureate degree from colleges or universities accredited in a manner accepted by Kennesaw State University may apply for admission to the Graduate College. Applicants must submit the credentials deemed necessary by the chosen degree program. Individual colleges may have additional re-quirements or higher standards than those listed for general admission. Applicants are accepted to one graduate program specifically and must reapply in order to change programs.

Requirements for admission to individual graduate programs are listed within each program section of this catalog.

How to Apply

Applicants for the MBA for Experienced Professionals should contact the program office for application materials. All other candidates should follow these guidelines:

- Prepare any additional supplemental documents that may be required by the academic department as indicated in the program Information (i.e., recommendation letters, résumé, writing samples, etc.)

All documents become the property of Kennesaw State University and cannot be forwarded or returned. Incomplete files and files of accepted applicants who never enroll in classes are destroyed after one year. Applicants wishing to apply again must file a new application and resubmit all documents, and meet current admissions criteria for the desired program.

Once an applicant’s file is complete, the respective department will review the file. Then the department will send a letter informing the applicant of the admission decision. dacy. Refer to the Academic Policies section in this catalog for more information about candidacy.
