leave of absence. The unearned portion shall be refunded up to the point in time that the amount earned equals 60%.

Definition of Legal Residents

Individuals who enter the institution as out-of-state students but who wish to later qualify as legal residents must fill out a Petition for Georgia Residence Classification form, which can be obtained in the Office of the Registrar, on-line at http://www.kennesaw.edu/businessservices/international_ga_residency.shtml, or by contacting the Residency Officer for Kennesaw State University at 770-499-3536. A student's resident status is not changed automatically, and the burden of proof that the student qualifies as a legal resident under the regulations of the Board of Regents of the University System of Georgia rests with the student. A student is responsible for registering under the proper residency classification. A student classified as out-of-state who believes that he or she is entitled to be reclassified as a legal resident may petition the Residence Committee for a change in status. The petition must be filed no later than 60 days after the semester begins in order for the student to be considered for reclassification for that semester. If the petition is granted, reclassification will not be retroactive to prior semesters.

If there is any question in the mind of the student concerning his/her resident status, application for clarification should be made immediately or not later than two weeks prior to the registration date in order to avoid delay and inconvenience of registration.

Applications should be addressed to Kennesaw State University Attn: Residency Committee, 1000 Chastain Road, Mailbox # 0102, Kennesaw, Georgia 30144.

Regents' Policies Governing the Classification of Students for Tuition Purposes

The following policies have been adopted by the Board of Regents for the purpose of determining the tuition status of students:

403.02 CLASSIFICATION OF STUDENTS FOR TUITION PURPOSES

A. United States Citizens

- (1) a. An independent student who has established and maintained a domicile in the State of Georgia for a period of at least 12 consecutive months immediately preceding the first day of classes for the term shall be classified as "in-state" for tuition purposes. It is presumed that no student shall have gained or acquired in-state classification while attending any post-secondary educational institution in this state without clear evidence of having established domicile in Georgia for purposes other than attending a postsecondary educational institution in this state.
- b. A dependent student shall be classified as "in-state" for tuition purposes if either i) the dependent student's parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the student has graduated from a Georgia high school or ii) the dependent student's parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the

parent claimed the student as a dependent on the parent's most recent federal income tax return.

- c. A dependent student shall be classified as "in-state" for tuition purposes if a U.S. court-appointed legal guardian has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term, provided that appointment was not made to avoid payment of out-of-state tuition and the U.S. court-appointed legal guardian can provide clear evidence of having established and maintained domicile in the State of Georgia for a period of at least 12 consecutive months immediately preceding the first day of classes for the term.
- (2) a. If an independent student classified as "in-state" relocates temporarily but returns to the State of Georgia within 12 months, the student shall be entitled to retain in-state tuition classification.
 - b. If the parent or U.S. court-appointed legal guardian of a dependent student currently classified as "in-state" for tuition purposes establishes domicile outside of Georgia after having established and maintained domicile in the State of Georgia, the student may retain in-state tuition classification as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court-appointed legal guardian.
- ##### B. Noncitizens
- Noncitizens initially shall not be classified as "in-state" for tuition purposes unless there is evidence to warrant consideration of in-state classification. Lawful permanent residents, refugees, asylees, or other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as citizens of the United States in determining whether they qualify for in-state classification. International students who reside in the United States under nonimmigrant status conditioned at least in part upon intent not to abandon a foreign domicile are not eligible for in-state classification.

Scholarship Programs

Scholarships and Fellowships

Several privately-supported scholarships for undergraduate students and fellowships for graduate students are available at Kennesaw State University. These awards are mostly merit-based. Some, however, are based on need. A complete list of available scholarships and fellowships and relevant applications information is located at http://www.kennesaw.edu/financial_aid.

Regents' Opportunity Scholarship

The Regents' Opportunity Scholarship Program was authorized by the 1978 General Assembly. The intent of the program is to increase enrollment in University System

of Georgia institutions of historically disadvantaged students in previously under-represented populations. Allocations to the institutions are based upon a combination of factors, i.e., Georgia residents enrolled full-time (9 credit hours) in graduate/professional program offerings in which historically disadvantaged students are under-represented. Recipients must maintain satisfactory academic progress. The Free Application for Federal Student Aid (FAFSA) is the only application required. These are reviewed on a first come-first serve basis. Students must reapply annually.

HOPE Teacher Scholarship

The HOPE Teacher Scholarship for Graduate Study in Critical Shortage Fields – a component of the lottery-funded HOPE Program – provides forgivable loans to individuals seeking advanced education degrees in critical shortage fields of study. Repayment is accomplished by teaching in a Georgia public school in a critical shortage field. The approved critical shortage fields may change each spring based on an annual survey of teaching vacancies in Georgia. The 2007-2008 Promise Teacher and Hope Teacher applications become available June 1. After this date, please go to the Georgia Student Finance Commission website http://www.gacollege411.org/FinAid/LoanPrograms/careers_in_teaching.asp for printing the new application. Other programs may be added, check with the College of Education for a current list.

Scholarships are available for the 2007-2008 academic year and will be awarded on a first-come, first serve-basis. The awards are based on the number of credit hours necessary for students to complete their program of study. Scholarship funds can be used toward tuition, fees, and other student expenses. Students should apply in early June of 2007. Applications may be obtained from the Georgia Student Finance Commission or the College of Education at KSU. For applications and additional information, access http://www.gacollege411.org/FinAid/LoanPrograms/careers_in_teaching.asp.

Need-Based Award Application Procedures

Need-based awards include grants, employment, and loans. It is advisable to complete the FAFSA early. The FAFSA is available on January 1 for the award year that starts each fall semester. The priority date for receipt of the FAFSA at KSU is April 1 of each year. FAFSAs received by the priority date with all requested documents submitted by the student and reviewed by the Office of Student Financial Aid will be awarded first. New applicants must be accepted by the Office of Admissions into a degree or certificate program.

After the FAFSA is analyzed by the U. S. Department of Education, the result is called the Expected Family Contribution (EFC). The EFC is the amount that the family should be able to contribute to the student's cost of attendance (COA). COA is the amount of direct cost (e.g., tuition, fees, room, board, and books) and indirect cost (e.g., transportation and personal expenses). Need-based financial aid is awarded to help the student with need (i.e., COA minus EFC).

Loan Programs

Federal Stafford Loan-Subsidized

The Federal Government guarantees low-interest loans made to qualified students. Students may apply for this loan by completing the Free Application for Federal Student Aid (FAFSA). Students are allowed to select their lender and loan amount up to their award maximums. Eligible graduate students may borrow up to \$8,500 per year. At least half-time (5 credit hours) enrollment is required. The amount of loan eligibility is based on need as determined by the FAFSA and the cost of attendance.

Subsidized indicates that the federal government will pay the loan interest while the student is enrolled in school, six months after enrollment (grace), or during deferment periods. The rate of interest is fixed at 6.8%. The rate of interest may not exceed 8.25%. Students may be assessed an origination fee up to 3% and a federal default fee of 1% which is deducted from each loan amount. Funds are disbursed to the student through the University. Repayment begins six months after the student ceases to be enrolled at least half-time. Students are allowed 10 years to repay the loan.

Federal Stafford Loan - Unsubsidized

This loan is available to graduate students who choose to borrow above their Subsidized Stafford eligibility. Students borrowing through the Unsubsidized Stafford Loan Program are responsible for the interest on the loan. The amount of eligibility is based on the dependent or independent status of the student and the student's need. The application procedures and interest rates are the same as the Subsidized Stafford Loan Program.

Federal Graduate PLUS Loan

Graduate students are eligible to borrow under the PLUS Loan Program up to the cost of attendance minus other financial assistance. Students must not have an adverse credit history. Students are allowed to select their lender and loan amount. The interest rate is 8.5% fixed. Repayment begins on the date of the last disbursement of the loan for

the academic year. The FAFSA is the required application.

Service Cancelable Student Loans

The Georgia Student Finance Authority offers loans to qualified students who plan to work in the field of nursing in the State of Georgia. At KSU, both graduate and undergraduate students accepted in the nursing program may apply. The amount is determined by the student's need. The loan may be canceled through one year of service in nursing in the state of Georgia for each year that assistance is provided. If assistance is received and the student does not enter nursing, repayment of the loan will be required. Early completion of the FAFSA is recommended in applying for this loan because funds are limited.

Emergency Loan Program

Tuition and Fees and Personal Loans

The Emergency Loan Program is designed to provide temporary assistance to students during their matriculation at KSU. An emergency loan for in-state tuition and fees or an emergency personal loan for mitigating circumstances that produces a hardship may be available to currently enrolled students. The student must be currently enrolled and be in good academic standing (3.0 gpa). A maximum of three tuition and fees and personal loans are allowed while a student is enrolled at KSU. A KSU student is allowed only one such loan per academic year. (An academic year is defined as the first day of class in August through the last day of finals in July.) A student is ineligible to receive an additional emergency loan if the student received such a loan the last semester attended. Students may not request both a tuition and fees and a personal loan in the same term. Students who need emergency funds for in-state tuition and fees or for personal circumstances should complete an application available in the Office of Student Financial Aid. Funds for emergency loans are limited. Loans are made on a first come, first serve basis.

A service charge of \$10 will be added to the tuition and fees and/or the personal loan. The loan must be repaid within 45 days.

If it is not repaid, a \$25 late charge will be added to the emergency loan. If a student is late paying an emergency loan, the student is considered delinquent in payment and is no longer eligible for any emergency loans during their academic career at KSU. Students will not be allowed to register for the following semester if they have not repaid their emergency loan.

Note: Students can not take both the emergency tuition loan and the personal loan out in the same term

Alternate Loan Program

A number of lender partners provide private loans directly from the lender that are not associated with federal student loans. Loan approval, interest rates, and repayment requirements are prescribed by the lender. Additional information and application procedures are available from the Office of Student Financial Aid or the lender. Students must maintain satisfactory academic progress.

Graduate Student Work Opportunities

Graduate Research Assistantships

Graduate programs may award a limited number of Graduate Research Assistantships. Graduate Research Assistants work closely with faculty on specific projects and, in return, receive a stipend and waiver of tuition. Graduate Research Assistantships are not available for the MBAEP or WebMBA programs. Students interested in the Graduate Research Assistantship program should contact the program director of the specific degree program.

Federal Work Study Program (FWS)

This program provides part-time jobs for undergraduate and graduate students who demonstrate financial need based on the Free Application for Federal Student Aid (FAFSA). FWS gives the student an opportunity to earn money to help pay for educational expenses while working on campus or in community service work. Early application with the FAFSA is recommended.

Institutional Employment

There are a limited number of part-time jobs available in each division of the university. Funds for these jobs are provided by the department or college that employs the student. Interested persons should contact the particular division or department of the university or the KSU Career Services Center for information.

Career Services

KSU's Career Services Center maintains a listing of full-time and part-time off-campus jobs for students who need assistance in locating off-campus employment. Regular job listings are posted on-line at <http://careerctr.kennesaw.edu>. For more information, contact the director of career services.

Satisfactory Academic Progress Standards

Federal regulations require that students maintain satisfactory academic progress in their course of study to continue receiving Federal

Title IV financial aid. Federal Title IV financial aid for graduate students includes Federal Work Study (FWS), Federal Perkins Loan, Federal Stafford Loan (Subsidized and Unsubsidized), and Federal Graduate PLUS Loan. All scholarships follow the same requirements. Alternative loans, available from private lenders, also follow these requirements.

Satisfactory academic progress (SAP) includes two standards: qualitative and quantitative. Students must meet both standards to continue receiving financial aid.

Qualitative

In order to maintain eligibility for financial aid with the qualitative standard, a student must maintain the academic standing necessary to remain at KSU. The qualitative policy is the same as the academic policies of KSU. The grade point average (GPA) will be used to determine good academic standing, probation, dismissal, and eligibility for financial aid. The student must have at least a 3.0 GPA to remain eligible. If the student is placed on academic probation, the student will be eligible for financial aid. Students may remove themselves from academic probation by raising their GPA to at least 3.0.

Any student who fails to make progress (all Fs) in any given semester will lose eligibility for financial aid regardless of the student's GPA. Any student who withdraws from all classes in any given semester will be placed on financial aid probation.

Quantitative

Regulations allow a student to maintain eligibility for attempting credit hours that are 150% of the credit hours required to receive a degree. In order to meet this quantitative standard, students must complete and pass (earn) 67% of courses attempted each academic year. Courses earned include grades of A, B, C, D or S. Courses attempted include any course in which grades of A, B, C, D, F, W, WF, I, S, U or IP are given. Students who are seeking a second undergraduate degree different from their first degree may be granted additional hours to complete the second degree requirements. The 67% criteria will be checked at the end of the spring semester.

If a student has not completed 67% of the cumulative attempted hours at the end of the spring semester, the student is placed on Satisfactory Academic Progress Warning for one year. During the SAP warning period, the student may continue to receive financial aid. If the student has not completed 67% of the cumulative attempted hours after one year on SAP warning, the student will be placed on Satisfactory Academic Progress Failure. While on SAP failure, the student will not be eligible to receive financial aid. Financial aid eligibility may be regained when 67% of the cumulative attempted hours have been completed.

The policy regarding probation, loss of eligibility, and academic dismissal is the same as the academic policies with the following exceptions:

Academic Fresh Start eligibility will calculate the quantitative standard (67% completion) on the total cumulative attempted and completed hours.

Students who are dismissed academically for one or two semesters will not be automatically eligible for financial aid upon their return to KSU. An appeal to the Appeals Committee will be necessary.

When courses with grades of D, F, or WF are repeated with a C or higher grade, the unsatisfactory grades and course attempts will not be included in the calculation of the AGPA (qualitative standard). However, courses with grades of D, F, or WF that are later repeated are counted in total number of hours attempted (quantitative standard).

Audit Courses

Students are not eligible to receive financial aid for courses for audit courses. Audited courses are not included in the number of hours attempted or earned for SAP consideration.

Summer Term Courses

All hours attempted and completed in the summer terms are treated as any other semester hours in determining SAP.

Incomplete Courses

Any course with "I" is counted in hours attempted (quantitative). When the "I" is changed to an actual grade, the course will be considered completed.

Withdrawals:

Any course with a “W” or “WF” is considered as hours attempted. Students should be aware that excessive withdrawals from classes could result in the loss of financial aid at some point in future semesters due to the 67% quantitative standard for SAP.

Transfer Credit:

Any course transferred for credit will be considered as hours attempted. Attempted hours will be used to calculate the 67% quantitative standard for SAP.

Repeating Courses:

When courses with grades of D, F, or WF are repeated with a C or higher grade, the unsatisfactory grades and course attempts will not be included in the calculation of the AGPA (qualitative). However, courses with grades of D, F, or WF that are later repeated are counted in total number of hours attempted (quantitative).

Academic Fresh Start

For students who are approved for the Academic Fresh Start Program, the quantitative standard of satisfactory academic progress will be determined on total attempted hours which will include the “fresh start” hours.

Dismissal and Return

Students who are dismissed academically for one or two semesters will not be automatically eligible for financial aid upon their return. Such students must either appeal, as explained below, or use means other than financial aid for educational expenses. Eligibility will be regained when the AGPA is 3.0.

Appeals

Any student on SAP failure may appeal to the SAP Appeals Committee. An appeal must be based on extenuating circumstances. Examples may include but are not limited to health reasons, family reasons, or personal reasons. The appeal statement of the student should explain the extenuating circumstances. Documentation supporting the extenuating circumstances must be submitted. In addition, letters of support from an academic advisor / faculty member and a relative, clergy, supervisor, or other associate must be submitted. The appeal form and procedures may be obtained at http://www.kennesaw.edu/financial_aid.

Veteran's Benefits

The university is on the approved list of the Georgia State Approving Agency for the training of veterans, disabled veterans and the children and widows of deceased veterans who are eligible for benefits under the G.I. Bill. Students in training under the G.I. Bill are required to pay all fees, as regular students, since they are paid benefits directly through the Veterans Administration. Each V.A. beneficiary should make financial preparation for at least one semester because benefit checks are sometimes delayed.

Students in training under the G.I. Vocational Rehabilitation Program should check with the University Business Office regarding the handling of their account for fees, supplies, etc.

Eligible veterans, children and widows of veterans must make application to their regional Veterans Administration Office. Application forms are available at Kennesaw State University in the Registrar's Office at the time of acceptance to the university. Certain requirements must be met before students may be certified for noncredit remedial courses for V.A. payment purposes.

Students attending on the G.I. Bill are certified for V.A. benefits only for those courses required in their particular programs of study. Such students must maintain Kennesaw State University standards for academic performance. Those students who are academically dismissed from school will have their benefits interrupted. Upon readmission and recertification of benefits at Kennesaw State University, the V.A. will decide if further benefits may be paid for continuation of the program in which the academic deficiency occurred.

Current V.A. standards require that students attend class and that benefits be terminated when the student has been suspended for academic or disciplinary reasons. (Since V.A. regulations are subject to periodic change, it is the student's responsibility to keep up-to-date on requirements for V.A. benefits while in attendance at Kennesaw State University.)
