

Bagwell College of Education & PTEU

Kennesaw State University is one of the largest and strongest teacher preparation units in the University System of Georgia. One out of five undergraduate students at KSU is enrolled in a professional degree program that prepares teachers for the elementary, middle and secondary schools.

KSU's conceptual framework for teacher education is the Collaborative Development of Expertise in Teaching and Learning. The preparation of teachers at KSU involves extensive collaboration among numerous departments and colleges across the university and with many partner schools and practicing professionals in the field. These collaborative efforts are designed to prepare teachers to be successful in their professional roles as facilitators of student learning.

Teacher education programs at KSU have high expectations for content knowledge in the teaching field, effective pedagogical skills, multiple field experiences, multicultural perspectives, use of educational technology, performance-based assessments, and attention to student learning outcomes.

Accreditations

The university's teacher preparation programs are accredited by the National Council for Accreditation of Teacher Education and approved by Georgia's Professional Standards Commission. Successful completion of one of KSU's approved undergraduate programs in teacher education leads to initial teacher certification in Georgia (P-5 for elementary; 4-8 for middle; 7-12 for secondary; and P-12 for all grades).

Graduates of KSU's teacher education programs typically perform well on examinations of professional preparation. Candidates for teacher certification in Georgia must pass the Praxis I and Praxis II tests. In Georgia, the Professional Standards Commission provides the Praxis II pass rates for all teacher preparation units in the state to the U.S. Secretary of Education as mandated by the Higher Education Amendments of 1998. The pass rate which is published as part of the Title II Teacher Report Card, was 90.5% for all KSU program completers for the 1999-2000 academic year.

The PTEU

Teacher education at KSU is a highly collaborative and all-campus responsibility. The Professional Teacher Education Unit (PTEU) is the umbrella organization under which nearly 100 teaching faculty and academic administrators representing over twelve different instructional departments and five colleges come together to collaborate on the design, delivery, approval and accreditation of all teacher preparation programs. The Dean of the Leland & Clarice C. Bagwell College of Education leads the PTEU and provides university-wide coordination for teacher education, working in partnership with the other deans of the university.

Within the PTEU, the following functions are centralized in the Bagwell College of Education in support of all teacher education programs at KSU:

- Formal Admission to Teacher Education—Impey Teacher Education Advisement Center
- General Program Advisement—Impey Teacher Education Advisement Center
- Admission to Student Teaching—Center for Field Experiences and Partnerships
- Recommendations for Teacher Certification—Impey Teacher Education Advisement Center
- Final Appeals of Teacher Education Admission & Retention Decisions—Teacher Education Appeals Board and Dean of the Bagwell College of Education
- Teaching Resources—Teacher Resource & Activity Center (TRAC)
- Educational Technology Resources—Learning Technology Center in TRAC and The Educational Technology Training Center
- Coordination for Program Accreditation—Dean of the Bagwell College of Education
- Coordination of the PTEU and Program Coordinators—Dean of the Bagwell College of Education
- Oversight of the Teacher Education Council, The College Level Policy and Curriculum Committee for all Teacher Education Programs—Dean of the Bagwell College of Education

Within the PTEU, most of the responsibilities for designing, implementing, and administering individual degree programs in teacher education are decentralized and assigned to different colleges and instructional departments. Each program has a KSU faculty member who serves as the program coordinator in the department responsible for that program. The collaborating colleges and departments responsible for KSU's twelve bachelor's degree programs in teacher education are as follows:

- Bagwell College of Education
 - P-5 Early Childhood Education** (Elementary & Early Childhood Education Department)
 - 4-8 Middle Grades Education** (Secondary & Middle Grades Education Department)
- College of Health & Human Services
 - P-12 Health & Physical Education** (Health, Physical Education & Sport Science Department)
- College of Humanities & Social Sciences
 - 7-12 English Education** (English Department)
 - 7-12 Social Science Education** (History & Philosophy Department)
 - P-12 Foreign Language Education-French** (Foreign Languages Department)
 - P-12 Foreign Language Education-Spanish** (Foreign Languages Department)
- College of Science and Mathematics
 - 7-12 Biology Education** (Biological & Physical Sciences Department)
 - 7-12 Chemistry Education** (Chemistry & Biochemistry Department)
 - 7-12 Mathematics Education** (Mathematics Department)

- School of the Arts
 - P-12 Art Education** (Visual Arts Department)
 - P-12 Music Education** (Music Department)

At KSU, content specialists in the arts and sciences work collaboratively with pedagogy specialists in those same disciplines and often in the same departments to prepare teachers. Bachelor's degree programs in teacher education require the equivalent of a major in the content studies of the teaching field and the equivalent of a second major in pedagogical studies with an emphasis on teaching that is discipline-specific and age-appropriate.

Bagwell College

Even though the responsibility for administering professional teacher preparation programs is distributed broadly across many colleges and departments at KSU, the overall coordination and primary leadership for teacher education resides in the Leland & Clarice C. Bagwell College of Education and the Dean of Education, in particular. The Bagwell College is organized into three instructional departments which support particular degree programs in teacher education and a number of academic support units that provide services to all teacher education programs in the PTEU.

Academic Departments

Department of Elementary and Early Childhood Education **(770) 423-6121**

The foundation for learning and for subsequent academic success is laid during the formative stages of early childhood. The faculty in this Department specialize in the opportunities and challenges of early childhood education. The Department of Elementary and Early Childhood Education offers a program of study leading to the Bachelor of Science degree and broad-field certification in Early Childhood Education (pre-kindergarten to grade five). The Department also offers an

M.Ed. in Early Childhood Education. See the Graduate Catalog for more information. The Department Website is:
www.kennesaw.edu/education/eece.

Department of Secondary and Middle Grades Education **(770) 423-6314**

Early adolescence represents a period of great transition for young people. The faculty in this Department specialize in the opportunities and challenges of middle grades education. The Department of Secondary and Middle Grades Education offers a program of study leading to the Bachelor of Science degree and certification in middle grades education (4-8). The Department also offers the M.Ed. in Adolescent Education. See Graduate Catalog for more information. The Department Website is: www.kennesaw.edu/education/mge.

Department of Special Education **(770) 423-6577**

There is a growing awareness that effective education must address the diverse and special needs of all students through instructional strategies of inclusion. The faculty in this Department specialize in programs for exceptional learners which are inclusive. The Department of Special Education offers the state-mandated special education course for all education programs, EXC 3304 Education of Exceptional Students. This course prepares teachers to identify students with diverse learning needs and to accommodate their needs in regular education programs in collaboration with parents, educators and other professionals. Candidates interested in additional experience in programs for learners with diverse needs (Gifted, English for Speakers of Other Languages, Preschool/Special Education programs) should contact the Department office for information on EXC 4000 Service Learning in Special Education.

The Department offers graduate add-on certification programs in Gifted, English for Speakers of Other Languages, Preschool/Special Education (Interrelated, Learning Disabilities, Behavior Disorders and Intellectual Disorders) and the M.Ed. in Special Education.

See the Graduate Catalog for more information. The Department website is: www.kennesaw.edu/education/specialed.

William D. Impey Teacher Education

Advisement Center provides guidance to all candidates in the PTEU as they complete requirements for full admission to the Teacher Education program, complete program requirements in their major, prepare for participation in major field experiences, and seek teacher certification.

The Teacher Resource and Activity Center (TRAC) serves pre-service and in-service teachers with a curriculum and textbook library, a media resource center for the design and development of instructional materials, and the Learning Technology Center.

Educational Technology Training Center at Kennesaw State University serves the Metropolitan Atlanta and North Georgia region with hundreds of workshops for pre-service and in-service educators on the principles of integrating technology into the curriculum to enhance student learning.

Reading Institute coordinates the PTEU's initiatives for the advancement of effective reading programs and strategies that are fundamental for student learning in the schools at all levels.

Research and Assessment in Teacher Education coordinates the PTEU's data collection, institutional research and assessment functions for reporting and program improvement purposes.

Center for Field Experiences and Partnerships develops and promotes partnerships and collaborative efforts with the university, the community, and schools to advance public P-12 education. The director and assistant director of the Center, working with teacher education faculty and appropriate school personnel, plan and implement the selection of school sites and classrooms appropriate to the needs of Kennesaw State University candidates and the goals of the Professional Teacher Education

Program. The Center supports teacher development from preservice education to teacher induction through mentoring programs, staff development, and other initiatives.

Admission to Teacher Education

Kennesaw State University is committed through its admission and monitoring processes to recruit and prepare highly qualified and capable prospective teachers. Before a candidate may enroll in professional level education courses at the upper division level (the required 3000- and 4000-level professional education courses), he or she must be formally admitted to teacher education at Kennesaw State University.

Admission to teacher education is separate from admission to Kennesaw State University. Candidates typically apply for admission to teacher education as sophomores after having completed most of their general education requirements. Applications for admission to teacher education are available in the William D. Impey Teacher Education Advisement Center.

A criminal history background check will be performed prior to admission to teacher education and may preclude admission to teacher preparation programs. In order to meet the minimum requirements for admission to teacher education programs, candidates must also have:

1. Completed at least 45 semester hours of accredited college coursework including a minimum of 9 semester hours at Kennesaw State University.
2. Achieved a cumulative GPA of 2.75 for all attempted hours in the system core curriculum and lower division courses as required for teacher preparation programs.
3. Achieved an adjusted or cumulative GPA of 2.75 for all coursework at Kennesaw State University.
4. Completed English 1101 and English 1102 with grades of C or higher.
5. Passed the Regents' examination.

6. Passed or exempted the Praxis I examination.
7. Completed EDUC 2201* and EDUC 2204 with grades of C or higher. In addition to the preceding, the Department of Elementary and Early Childhood requires that all additional courses completed in Lower Division Major and Teaching Field at the time of application for admission must have C's or higher.
8. Received two positive faculty recommendations, one of which must be from their instructor for either EDUC 2201 or EDUC 2204.
9. Received positive evaluations in field experiences.
10. Exhibited responsible, professional behavior in all classes, field experiences, and interactions with peers and faculty.
11. Exhibited potential for success in the program.
12. Been approved for admission by the Admission and Academic Standing Committee of the applicant's proposed degree program.
13. Note: Some degree programs in teacher education have additional admissions requirements. Consult those departments and program coordinators.

* Or approved Teacher Cadet or Teacher Apprenticeship Program

To be considered for admission, applications and all supporting documents must be submitted to the William D. Impey Teacher Education Advisement Center on or before the deadlines specified below:

Admission to Teacher Education Program For:	Application Deadline:
Fall Semester	April 15th
Spring Semester	September 15th
Summer Term	February 15th

Candidates will be informed of their admission status by letter.

Transfer students must complete 9 semester hours at Kennesaw State University prior to enrolling in the professional education sequence classes of the teacher education

programs. Candidates who have earned a cumulative GPA of 2.75 or higher at other institutions may request permission from the appropriate department chair to enroll in one 3000-level education course during their initial semester at Kennesaw State University. Candidates who have been denied admission must remove deficiencies within three semesters of the initial application for admission in order to be eligible for reconsideration for entry into a teacher education program.

Retention in Teacher Education

Once admitted to teacher education, a candidate will not be eligible to continue in teacher education if:

1. Responsible, professional behavior is not exhibited in all classes, field experiences and interactions with peers and faculty, as judged by the program faculty and/or collaborating teachers and school personnel.
2. The candidate is found guilty of a major violation of the student code of conduct or civil law.
3. Two or more D or F grades are earned in required lower and upper division courses in the candidate's teacher education program. A review may be triggered if the candidate's adjusted or cumulative GPA falls below 2.75 at KSU.
4. The individual fails to observe or meet the required course and program pre-requisites, especially for field-based teaching methods courses and student teaching.
5. Teaching skills and effectiveness are judged by two or more faculty instructors and/or collaborating teachers to be unsatisfactory.
6. Student teaching is not completed satisfactorily.

One or more of these deficiencies will trigger a review by the admissions and academic standing committee of the appropriate program area, which will determine whether the candidate will be permitted to continue in the teacher education program. Decisions to

remove a candidate from the teacher education program will be recommended by that committee and approved by the program coordinator, department chair, assistant dean of the Bagwell College of Education and the director of the Center for Field Experiences and Partnerships.

A Student Teacher may be removed from a field experience when any of the following occurs:

1. The appropriate school authority states that the teacher preparation candidate's presence in the classroom is not in the best interest of the public school's students and/or requests that the teacher preparation candidate be removed;
2. The joint decision of the appropriate teacher education program coordinator and department chair in consultation with the director of the Center for Field Experiences and Partnerships, student teacher coordinator, supervising master teacher, and/or university supervisor states that the circumstances are such as to prevent either the development and/or maintenance of a satisfactory learning environment;
3. Unprofessional/unethical behavior has been exhibited by the teacher preparation candidate;
4. A decision has been reached that the teacher preparation candidate cannot receive a satisfactory grade.

Major Field Experiences

The purpose of educational field experiences is to provide each teacher education candidate with multiple opportunities to engage in the practical aspects of teaching in real classroom settings. The teacher education faculty, the director of the Center for Field Experiences and Partnerships and appropriate school personnel collaborate to plan and implement the selection of school sites, classrooms and teaching/learning environments appropriate to the needs of the candidates and the goals of the Professional Teacher Education Program.

Emphasis shall be given to balancing each candidate's experiences between urban, suburban and rural as well as among the multicultural and diverse populations of learners served within the Kennesaw State University service area. Each candidate is expected to be engaged in the full range of the respective program's teacher certification requirements as prescribed by the Georgia Professional Standards Commission.

The introductory course to the major includes a field component as do several other courses in the professional education sequence. Two major field experiences form the capstone of all undergraduate teacher education program: 1) the Teaching of Specific Subject experience; and 2) the Student Teaching experience.

Teaching Specific Subjects

While candidate progress will be monitored throughout the program, a formal progress check will occur when candidates submit the form for the appropriate program area. This form must be signed by the student's advisor and submitted to the program's coordinator.

Minimum requirements for continuation in the program are:

1. Completion of teaching field and professional sequence coursework with a 2.75 minimum adjusted or cumulative GPA
2. Grades of C or better in all required courses in the candidate's teacher education program.
3. Positive evaluations in field experiences.
4. Responsible behavior in all classes, field experiences, and interactions with peers and faculty.
5. Approval by the Admissions and Academic Standing Committee of the appropriate program area.

Individual programs/departments may have additional criteria for continuation in the program.

The form must be submitted to the appropriate program coordinator on or before the following specified deadline dates :

Admission to TOSS For:	Application Deadline
Fall Semester Spring Semester Middle Grades Education	April 15th September 15th March - TBA

Student Teaching

Student teaching normally is the last requirement completed in teacher education programs. Student teaching requires a full-time academic and professional commitment; therefore, no other courses should be taken during the semester of student teaching. Since student teaching is based in the field, the typical school-day hours for teachers at the placement site will be observed by the candidate teacher. The candidate teacher is expected to follow the direction of the Cooperating Teacher, the School Principal, the KSU University Supervisor, and the KSU director of the Center for Field Experiences and Partnerships.

Formal application to student teach must be completed and submitted to the Center for Field Experiences and Partnerships. Candidates become eligible to student teach by meeting the following requirements:

1. Grades of C or higher in all Lower Division Major Requirements (Area F) teaching field and professional education coursework.
2. A 2.75 adjusted or cumulative G.P.A. in all coursework at Kennesaw State University.
3. Positive evaluations in field experiences.
4. Responsible professional behavior in all classes, field experiences, and interactions with peers and faculty.
5. Positive recommendation from the instructor(s) of the Teaching of Specific Subject (TOSS) course(s).
6. Approval by the Center for Field Experiences and Partnerships and the admissions and academic standing committee of the appropriate program area.

Individual programs/ departments may have additional criteria for admission to student teaching.

Applications for student teaching must be submitted to the Center for Field Experiences

and Partnerships on or before the deadline dates specified below:

Admission to Student Teaching for:	Application Deadline:
Fall Semester Spring Semester	January 30 (previous Spring) August 30 (previous Fall)

Applications are due a semester in advance. For example, candidates wishing to student teach in Spring, 2006 must submit completed applications by August 30, 2005. Candidates wishing to student teach in Fall, 2006 must submit completed applications by January 30, 2006.

Applications will not be accepted after the deadline.

Appeals of Admission & Retention Decisions

A formal appeal of a decision to deny admission or retention in student teaching or the teacher education program may be made to the Teacher Education Appeals Board. Instructions and forms for such appeals are available in the Office of the Dean of the Bagwell College of Education. An appeal must be based on exceptional and extenuating circumstances and/or other pertinent information not previously available or considered. A formal appeal must be submitted in writing to the Dean of the Bagwell College of Education within 30 days of being notified of admission or retention status.

In all cases, the candidate may initiate an appeal after seeking resolution with the appropriate degree program’s Admissions and Academic Standing Committee and/or Department Chair. The Dean will transmit the appeal to the Board. The decision of the Teacher Education Appeals Board may be appealed in writing within 30 days to the Dean of the Bagwell College of Education. The decision of the dean is final.

Teacher Certification

Teacher certification is granted by the Georgia Professional Standards Commission. KSU's degree programs in teacher education have been approved by the Professional Standards Commission, but their completion satisfies only one of the requirements for teacher certification in Georgia. Candidates completing an approved program will prepare the necessary paperwork for certification during the Student Teaching Seminar. Candidates desiring certification in another state should contact the Department of Education in that state for specific requirements.

For Kennesaw State University to recommend a candidate for certification in the state of Georgia, the prospective students must have received a degree in their field of education with a GPA of at least 2.75 from Kennesaw State University, pass the Praxis I examination or show proof of exemption (see below), pass the Praxis II test for that field, and submit a copy of the Praxis II score report to the Certification Officer. The Certification Officer is responsible for verifying that all information is correct before any paperwork can be submitted to the Georgia Professional Standards Commission.

Praxis I is a comprehensive test covering reading, writing, and mathematics. It is a requirement for entrance into the Teacher Education Program at Kennesaw State University. Candidates should plan to take the test prior to applying to the Teacher Education Program. Candidates with the following *minimum* scores on Collegiate SAT, ACT, and GRE examinations may exempt Praxis I test by submitting proof of scores to the Certification Officer located in the William D. Impey Teacher Education Advisement Center :

SAT: *at least 480 Verbal and 520 Mathematics*

ACT: *at least 21 English and 22 Mathematics*

GRE: *at least 490 Verbal and 540 Quantitative*

Candidates who believe they qualify for this exemption should see the Certification Officer in the William D. Impey Teacher Education Advisement Center to establish and record the exemption. The center can also provide further information concerning Praxis I and Praxis II at 770/423-6105.

Programs of Study

Twelve bachelor's degree programs are offered through the collaborating colleges and departments of the PTEU:

Elementary Teacher Certification Program

- Bachelor of Science in Early Childhood Education

Middle Grades Teacher Certification Program

- Bachelor of Science in Middle Grades Education

Secondary Teacher Certification Programs

- Bachelor of Science in Biology Education
- Bachelor of Science in Chemistry Education
- Bachelor of Science in English Education
- Bachelor of Science in Mathematics Education
- Bachelor of Science in Social Science Education

P-12 Teacher Education Certification Programs

- Bachelor of Science in Art Education
- Bachelor of Science in Foreign Language Education - French
- Bachelor of Science in Foreign Language Education - Spanish
- Bachelor of Science in Health and Physical Education
- Bachelor of Music in Music Education

Major in Early Childhood Education, B.S.

**Bachelor of Science Degree
Leading to Certification for Grades P-5
Bagwell College of Education
Department of Elementary & Early Childhood Education
(770) 423-6121**

This broad-field program is designed to prepare teachers of young children and leads to certification for pre-kindergarten to grade five in Georgia. The cross-disciplinary nature of the program's course requirements, with special emphasis on content studies in mathematics and reading, corresponds to the broad and integrated nature of teaching in the elementary grades as well as the fundamental importance of developing the reading and mathematical skills of young learners. The program provides candidates with an understanding of developmentally appropriate practices and an awareness of and sensitivity to cultural diversity and individual differences among young learners.

Credit Hours

GENERAL EDUCATION (see previous listing of requirements) **45**

LOWER DIVISION MAJOR REQUIREMENTS (AREA F) **18**

ECE 2205	Introduction to Preschool Education	3
EDUC 2201	Teaching and Schools in a Changing Society	3
EDUC 2204	Human Growth, Development and Learning	3
GEOG 1101	Introduction to Geography	3
HIST 2111	America to 1890	3
SCI 2201	Concepts of Science	3

TEACHING FIELD REQUIREMENTS **24**

FAED 3340	Music and Art for the Elementary School	2
HPS 3670	Early Childhood Health and Physical Education for the Classroom	2
MATH 3315	Critical Content ECE Math I	3
MATH 3316	Critical Content of ECE Math II	3
MATH 3317	Critical Content of ECE Math III	3
ECE 3320	Teaching Reading in Early Grades PK-2	3
ECE 3330	Teaching Reading in Elementary Grades 3-5	3
ECE 3340	Diagnosis and Application of Literacy Instruction in the Early Childhood Classroom	3
EDUC 3310	Multicultural Perspectives in Teaching and Learning	2

PROFESSIONAL EDUCATION (P-5) REQUIREMENTS **36**

EDUC 3302	Curriculum and Assessment	3
EDUC 3308	Learning, Motivation and Classroom Management	3
EXC 3304	Education of Exceptional Students	3
ECE 3313	Pre-School Curriculum	3
ECE 4401	Teaching Mathematics in Early Childhood Education	3

(Early Childhood Education Major, Professional Education Requirements - cont'd)

ECE 4402	Teaching Science in Early Childhood Education	3
ECE 4405	Teaching Language Arts and Social Studies in Early Childhood	3
ECE 4410	Reading Across the Curriculum	3
ECE 4473	Student Teaching: Early Childhood (P-5)	12

PROGRAM TOTAL: 123

Major in Middle Grades Education, B.S.

**Bachelor of Science Degree
Leading to Certification for Grades 4 - 8
Bagwell College of Education
Department of Secondary and Middle Grades Education
(770) 423-6314**

The middle grades program is designed to prepare teachers of children and young adolescents in the middle grades (grades 4 through 8). It leads to 4-8 teacher certification in Georgia. Candidates prepare in two of the four teaching fields of the middle grades curriculum (mathematics, science, social studies, or language arts). Preparation in these two teaching fields is more in depth than the content requirements of the program for early childhood educators, but less extensive and less specialized than the requirements of programs for secondary educators. The integrated nature of the curriculum and the importance of team teaching strategies for the different teaching field specialists with 4-8 certification are emphasized.

Credit Hours

GENERAL EDUCATION (see previous listing of requirements) **45**

Specific General Education recommendations for this major

Students should take ANTH 2105, PSYC 2105, OR SOCI 2105 and should take SCI 1101 & 1102. Students whose content concentration area is Math or Science should take MATH 1113 Pre-Calculus as part of their General Education requirement. All middle grades majors should take MATH 1107 Statistics.

LOWER DIVISION MAJOR REQUIREMENTS (AREA F) **18-19**

EDUC 2201	Teaching & Schools in a Changing Society	3
EDUC 2204	Human Growth, Development, and Learning	3
MATH 2590	Mathematics for Teachers of Middle Grades	3
SCI 2201	Science Concepts	
<u>or</u>		3-4
BIOL 2108	Biological Principles II*	
GEOG 1101	World Regional Geography	3
ENGL 2270**	Language & Usage	3

*Those choosing to concentrate in science should take BIOL 2108 instead of SCI 2201.

** Students who pass the English department’s basic language competency test with an 80% or above may substitute an English course selected with an advisor for ENGL 2270.

Credit Hours

TEACHING FIELD REQUIREMENTS (Must complete at least **24-27** 12 hours of coursework in two of the following four teaching field concentrations with 9 hours of study at the 3000 level or above.)

1. Mathematics (13 hours) - Students should take MATH 1113 Pre-Calculus and MATH 1107 Statistics as part of their General Education requirements.

MATH 1190	Calculus	4
MATH 3390	Introduction to Mathematical Systems	3
MATH 3395	Geometry	3
MATH 3495	Advanced Perspective in School Mathematics	3

2. Science (14 hours)

CHEM 1151& 1151L	Survey of Chemistry I and Lab	4
SCI 3360 & 3360L	Earth Science and Lab	4
PHYS 3310	How & Why—Physics of Everyday Life	3
ASTR 3321	Solar System Astronomy or	3
ASTR 3320	Astronomy and Cosmology	

3. Social Studies (12 hours)

HIST 2206	Origins of Great Traditions or	3
HIST 2111	America to 1890	
HIST 3304	History of Georgia	3

Select two of the following:

HIST 3305, 3366, 3367, 3373, 3374, 3382, 3391, 3392		6
---	--	---

4. Language Arts (12 hours)

ENGL 2140	Introduction to Literary Genres or	3
ENGL 2150	Colloquium in English	
ENGL 3260	Grammar for Teachers	3
ENGL 3309	Principles of Teaching Writing	3
ENGL 3391	Literature in the Middle Grades	3

PROFESSIONAL EDUCATION (4-8) REQUIREMENTS

35

(Must be admitted to Teacher Education Program before taking these courses)

EXC 3304	Education of Exceptional Students	3
EDUC 3308	Learning, Motivation, and Classroom Management	3
EDUC 3310	Multicultural Perspectives	2
EDSM 4409	Instructional Strategies in Reading & Adolescent Literature	3
EDSM 4410	Reading to Learn in Content Areas	3
EDMG 4405	Team Teaching in Middle Grades Education	3

EDMG 4405 is blocked with two 3-hour courses corresponding to your selected areas of Teaching Field Concentration: **6**

EDMG 4401	Teaching Mathematics in Middle Grades Education	(3)
EDMG 4402	Teaching Science in Middle Grades Education	(3)
EDMG 4403	Teaching Social Studies in Middle Grades Education	(3)

(Professional Education 4-8 Requirements- cont'd)

Credit Hours

EDMG 4404	Teaching Language Arts in Middle Grades Education	(3)	
EDMG 4475	Student Teaching in Middle Grades Education		12

FREE ELECTIVE Majors with concentrations in Social Studies and Language Arts require one hour of elective credit, preferably in a content area course. The number of hours required will be 126 for majors with concentrations in Mathematics and Science. **0-1**

PROGRAM TOTAL: 123-126

SECONDARY EDUCATION

Major in Biology Education, B.S.

**Bachelor of Science Degree
Leading to Certification for Grades 7-12
College of Science and Mathematics
Department of Biological and Physical Sciences
(770) 423-6158**

This single field program is designed to prepare biology teachers of adolescents, largely at the secondary school level (grades 7 through 12). It leads to 7-12 teacher certification in the teaching field of biology in Georgia. Candidates complete the equivalent of a major in biology and a second major in pedagogical studies with an emphasis on teaching science.

Credit Hours

GENERAL EDUCATION (see previous listing of requirements) **46**

Specific General Education requirements for this major:
MATH 1113 (Precalculus); MATH 1107 (Statistics); CHEM 1211 and 1211L (General Chemistry I and Lab); CHEM 1212 and 1212L (General Chemistry II and Lab).

LOWER DIVISION MAJOR REQUIREMENTS (AREA F) **18**

EDUC 2201	Teaching and Schools in a Changing Society	3
EDUC 2204	Human Growth, Development and Learning	3
BIOL 2107	Biological Principles I	4
BIOL 2108	Biological Principles II	4
PHYS 1111	Introductory Physics I	
<u>or</u>		3/1
PHYS 2211/2211 Lab	Principles of Physics I and Lab	

TEACHING FIELD REQUIREMENTS **32**

BIOL 3300	Genetics	4
BIOL 3320/3320 Lab	Plant Morphology and Lab	3/1
BIOL 3310/3310 Lab	Invertebrate Zoology and Lab	3/1
BIOL 3370/3370 Lab	Ecology and Lab	3/1
BIOL 3380	Evolutionary Biology	3
BIOL 3350/3350 Lab	Comparative Vertebrate Anatomy and Lab	3/1
BIOL 3340/3340 Lab	Microbiology and Lab	3/1

**Bachelor of Science Degree
Leading to Certification for Grades 7-12
College of Humanities and Social Sciences
Department of English
(770) 423-6297**

This single field program is designed to prepare English teachers of adolescents, largely at the secondary school level (grades 7 through 12). It leads to 7-12 teacher certification in the teaching field of English/Language Arts in Georgia. Candidates complete the equivalent of a major in English/Language Arts and a second major in pedagogical studies with an emphasis on teaching English/Language Arts. The English education program aims to prepare teachers who have a broad, rich knowledge of the discipline of English (including courses in British, American, and world literature; language theory; and writing) and who enact an integrated, reflective, and theoretically informed pedagogy for English/Language Arts.

PROGRAM TOTAL 131

- ¹ Declared art education majors must take ART 3000 during the semester of completion of lower division major requirements or before completion of 6 hours of upper level studio art courses. All transfer students with transfer credit of major requirements in lower division major requirements must take Art 3000 the first semester enrolled in upper level art courses. Transfer students will be required to present a portfolio with work in two and three dimensional design, drawing and painting in order to receive art foundation course work credit. A passing grade for the portfolio review is required for art education majors entering upper level concentrations. Art education majors are required to apply for admission to the Teacher Education Program upon completion of the six hours of education course work in lower division major requirements. A 2.75 GPA is required for admission, plus positive recommendations from three instructors. Contact the Office of the Assistant Dean of the College of Education for admission application procedures.
- ² The upper level studio courses are basic requirements. Art education students may elect to take additional course work in specific studio areas such as drawing, painting, photography, printmaking, ceramics, sculpture, and graphic communications. Additional studio work is highly recommended for students planning to do graduate study.
- ³ The senior seminar and exhibition must be arranged at least two semesters in advance. Contact the Art Gallery Office for specific details and for an application.
- ⁴ See Coordinator of Art Education in the Department of Visual Arts for admission requirements and application procedures.
