21:1 STUDENT

RATIO

At KSU, we put our students - all 43,268 of them — first in everything we do, starting from day one. When you enroll at Kennesaw State, you learn from our world-class faculty and gain academic support from in-the-know advisors. You'll find your community by becoming involved in one or more of our 300+ student organizations, living in one of our on-campus residence halls, and refueling at one of our award-winning campus dining options. And you'll find your spirit cheering for one of our 18 NCAA Division I sports teams.

You can't beat the location either. KSU boasts two beautiful suburban campuses that afford metro Atlanta opportunities with countless career paths made possible through expanding partnerships with businesses.

Coming to KSU will feel like coming home — a home where discovery and innovation thrive, where fond memories are made each day, and where potential meets possibility.

# CELEBRATE TRADITION

## 60 years, two campuses, one goal — community.

It's fresh spring afternoons studying on The Green. It's Fried Chicken Thursdays. It's enjoying First Day of School Cake. It's cheering on engineers as they launch pumpkins into the sky. Long-standing or just being born, traditions are what make us and inspire us to build an incredible community, together.

### Black & Gold Friday

*Black and Gold; Proud and Bold! Put on your best KSU spirit wear and join in the University-wide celebration every Friday.*

### Cool Since '63

*For 60 years, we've set the bar high for universities across the state, from being the first to have a female president to holding one of the top spots in size and reputation. Now you're a part of that history, too.*

# Hooty Hoo!

### FIGHT SONG

We Are The Owls and We Bring The Fight,  
All Through the South-land, All Know Our Might!  
From the Moun-tain We Bring Spi-rit, Heart,  
and Vic-to-ry!

Let's Go Owls!

Our Men and Wo-men Bring Ho-nor and Fame,  
Strong in the Class-room, Strong in the Game.  
From the Moun-tain We Bring Spi-rit, Kennesaw!  
It's On to Vic-to-ry!

Go Owls!

Fight Owls!  
K-S-U! K-S-U!

We Are The Owls and We Bring The Fight,  
All Through the South-land, All Know Our Might!  
From the Moun-tain We Bring Spi-rit, Kennesaw!  
It's On to Vic-to-ry!

### Hooty Hoo!

*Used as a greeting, exclamation, or battle cry, yelling "Hooty Hoo!" is our favorite way to show everyone KSU's radiant energy and relentless spirit.*

### Fight Song

*We know it by heart and sing it in our sleep. Written by Mr. James Sochinski, belting our Fight Song at every game is one of our favorite traditions.*

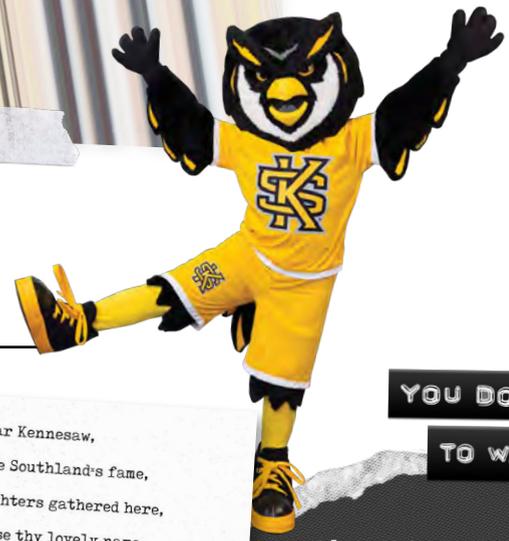

### Slap the Rock

*When you Slap the Rock, a natural piece of exposed limestone present since 1958, you're joining a decades-long tradition to leave your mark on the Marietta Campus.*

### Scrapy

*The embodiment of KSU — he's loyal, confident, and a little smug. Scrapy has been KSU's beloved owl for years, and he's always ready to welcome you with open wings and Owl Eyes.*

### Owl Eyes

*Owl Eyes, coined by our very own Scrapy the Owl, serve as a symbol that unifies us without having to say anything at all.*

### War Chant

*Originating from the Marching Owls in 2015, hear and yell this chant at every game.*

**YOU DON'T WANNA GO TO WAR WITH THE OWLS**

### Alma Mater

*Our Alma Mater encapsulates everything we stand for. We appreciate the lessons learned, light the path for others, and never dare to stop dreaming.*

### ALMA MATER

Kennesaw, dear Kennesaw,  
Nestled in the Georgia pines,  
What a special place you hold,  
Treasured in this heart of mine.  
For the candles you set burning,  
Lighting paths of love and learning.  
For the gifts you have given me,  
Kennesaw, I will cherish thee.

Kennesaw, dear Kennesaw,  
Fairest of the Southland's fame,  
Sons and daughters gathered here,  
Stand to praise thy lovely name.  
For the friendships that were made here,  
For the dreams we dare to dream here,  
Kennesaw, we will cherish thee,  
Kennesaw, we will cherish thee.

“Kennesaw State is a university devoted to giving a home to everyone. Being located in the metro Atlanta area, KSU is full of diversity and vibrating with beautiful cultures worldwide. My favorite thing about living on campus is the tight-knit community we have been able to create. Whether at Stingers or walking to class, it has become impossible not to run into other people I know. If you want a place that will push you to be the best you can be and live life fully, then KSU is the place for you.”

## Stay close to the action.

KSU Housing options allow you to live close to metro Atlanta while staying in the middle of the campus action with convenient access to classes, dining, events, and recreation. With all of these advantages, it's no surprise that students who live on campus are more likely to graduate in four years than those who choose to live elsewhere.

As a Computer Science student, it was important to me that I attended a university that would set me up for future success in my career. KSU has placed numerous professors and peers in my path that have equipped me with life-long skills that benefit me not just academically, but also personally. In addition to learning things like calculus and computer programming, my experiences at KSU have taught me how to develop interview skills, how to cultivate relationships, and how to put my best foot forward in any endeavor that I may take on. Attending KSU has opened the door to me receiving my dream internship as a Software Engineer at The Walt Disney Company during my junior year, as well as a full-time position at Disney post-graduation.
