

KSU General Education Requirements and Policies/Procedures (WISE OWL)

(Formerly: Things You Wish You Had Known YESTERDAY!)

KSU students (and faculty/staff!) are faced daily with an overwhelming amount of policies, procedures, requirements, etc. One of the best ways to be successful in college is to become familiar with these areas. This presentation is designed to familiarize students with General Education (core curriculum) requirements, registration procedures, advising policies/resources, academic probation/dismissal, graduation policies, Regents testing, withdrawal from courses, testing out of courses, etc. 45 minutes
