

**Mu Phi Chapter of Sigma Theta Tau  
Call for Scholarship Applications  
Annual Award**

**The Sigma Theta Tau, Mu Phi Chapter grant** is an annual competitive award of \$500 designed to assist a novice or seasoned nurse researcher who is either a member or an eligible member (eligible with a letter of intent to join the chapter).

**General guidelines:** Using APA format, the applicant must submit the original with identifying information and 5 copies without identifying information. Check calendar of events for proposal deadlines (usually in February of each year).

**Proposal guidelines:** the narrative section of the proposal is limited to a maximum of 5 single spaced pages and should include the following:

1. purpose
2. significance and background
3. theoretical framework
4. review of the literature
5. hypothesis or research questions
6. methodology
7. proposed data analysis
8. time frame
9. budget and justification

Please indicate whether previous funding has been awarded to this project.

**Criteria for Judging Proposals:**

The criteria will include:

1. relevance to nursing
2. clarity of written proposal
3. feasibility of the study
4. overall quality

Priority will be given to research efforts that have not been previously funded.

Send completed proposal to:
