

Spring 2008 Chalk and Wire Student Drop-In Schedule

In addition to the in-class training sessions offered within courses, additional training sessions will be available for students at various times throughout the semester. While these sessions are focused on student issues, faculty are encouraged to drop-in to see how students use the system or to get specific questions answered.

| Date | Time | Location | Trainer |
|---------------------------|---------------------|----------|-----------------------|
| Friday, March 14, 2008 | 1:00—2:00 PM | KH 2003 | Dr. Leigh Funk |
