**1st Annual 5k Run For Recovery**

**Saturday, September 20th, 2008**

Kennesaw State University's Collegiate Recovery Center (CRC) is proud to announce the first annual 5k Run for Recovery, in celebration of National Recovery month. The CRC recognizes that recovery offers hope for the future and the power to succeed.

The CRC empowers students in recovery to succeed in college and in life by providing academic support and an abstinent peer community.

Our goal is to assist students in having a healthy and successful college experience while in recovery.

**Together, we can make a difference in the lives of our students and our community.**

Funds raised for this event will go toward supporting the Kennesaw State University Collegiate Recovery Center.

We have sponsorship opportunities to accommodate every level of support. Because this is an annual event, your ongoing support is vital to our success.
