# Educational Leadership and Technology Guide

This subject guide covers educational leadership and technology resources available at the Kennesaw State University, Horace W. Sturgis Library for undergraduate and graduate students in Education. Library location and call number are provided for print publications.

## Internet Websites

### [American Association of School Administrators](#)

AASA supports and develops effective school system leaders. This includes government relations, education marketplace, scholarships, and education issues. A search feature is available at this site.

<http://www.aasa.org/>

### [Annenberg Institute for School Reform](#)

AISR's main focus is on identifying, shaping, and promoting effective forms of educational leadership. Programs in this area seek to build the capacity of schools and their communities to access and meet the leadership needs specific to improving education in their school communities. This site features such topics as leadership, accountability, community assets, and comprehensive school reform.

<http://www.annenberginstitute.org/>

### [Association for Supervision and Curriculum Development](#)

ASCD is a membership organization that develops programs, products, and services essential to the way educators learn, teach, and lead.

<http://www.ascd.org/>

### [Council of Chief State School Officers](#)

A nationwide, nonprofit organization, CCSSO is composed of public officials who lead the departments responsible for elementary and secondary education in the states, the US extra-state jurisdictions, the

District of Columbia and the Department of Defense Education Activity. In representing the chief education offices, CCSSO works on behalf of the state agencies that serve pre K-12 students throughout the nation. Features of this website include policy statements, publications, news releases, federal legislative positions and implementation of federal programs. <http://www.ccsso.org/>

**[Institute for Educational Leadership.](#)**

IEL is a non-profit, nonpartisan organization based in Washington, D.C. -- has provided policy and leadership assistance to people and institutions since 1964. The Institute for Educational Leadership's (IEL) mission is to improve education -- and the lives of children and their families -- through positive and visionary change. The institute endeavors to bring together diverse constituencies and empower leaders with knowledge and applicable ideas. Features of this site include free publications available for downloading, a description of programs and fellowships offered. <http://www.iel.org/>

**[National Association of Elementary School Principals.](#)**

The mission of NAESP is to lead in the advocacy and support for elementary and middle level principals and other education leaders in their commitment to all children. Features include career center, leadership topics, professional development, resources and much more. Site can be searched. <http://www.naesp.org/>

**[National Association of Secondary School Principals.](#)**

NASSP mission is to promote excellence in school leadership. A wide variety of programs and services are provided to assist in administration, supervision, curriculum planning and effective staff development. Features include research articles from NASSP Bulletin and Principal Leadership as well as many other publications. A search feature is available at this site. <http://www.nassp.org/>

## Encyclopedias and Dictionaries

**American Educators' Encyclopedia.** by Edward J. Dejnozka. New York, Greenwood Press, 1991. This encyclopedia was written to provide school administrators, teachers, teacher educators, school board members, graduate students, librarians, parents and others interested in American education with a ready (one-volume) reference book. The principal portion of this work consists of almost 2,000 entries (short articles that are based on the names and terms frequently found in the literature of professional education).  
Location: Reference. Call Number: RefStacks LB15 .D37 1991.

**Encyclopedia of Educational Research.** Marvin C. Alkin. New York, Simon & Schuster, 1992. This work was designed as a major work of scholarship to enlighten and guide readers on matters relating to educational research. This encyclopedia provides an overview of a specific area of research, with references providing a point of embarkation for further study. Insights into educational practice are discussed.  
Location: Reference. Call Number: RefStacks LB15 .E48 1992

**Encyclopedia of Leadership.** George R. Goethals, Georgia J. Sorenson, James MacGregor Burns. Thousand Oaks, Calif. : Sage Publications, 2004.  
Location: Reference. Call Number: RefStacks HD57.7 .E53 2004
