The university recognizes the importance of student clubs and organizations in providing laboratories for learning, social contacts, and leadership development. Advisors are important contributors of support and advice to these groups. This statement is provided to help clubs and organizations better understand the role of advisors at Kennesaw State University.

Each club must understand that the collective group is responsible for compliance with all applicable rules and regulations of the university as well as state and federal laws. Individual members are responsible for their own behavior.

Advisors are volunteers and do not control the club. Their role is one of support. They provide advice, recommendations and suggestions when asked. The advisor does not assume to take responsibility for actions or conduct of club members.
