## CUSTOM ARTWORK AND TEAM LOGO DETAILS:

Our Marketing Coordinator will be available to assist you, should you choose to incorporate custom artwork into your t-shirt design. Please keep in mind, however, that you are responsible for providing us with the logo you wish to put on your shirt. Your logo must be only one color, and must be the same color that is printed on the rest of your shirt. If this service is needed, please place your orders one extra week in advance (in addition to the required 3 - 4 weeks) to allow us ample time to make sure your artwork is 100% ready for printing. When you place your order, please provide the following, stapled to the back of this order form:

- Your desired artwork, either drawn in pen or pencil or printed from a digital file.
- **DETAILED** instructions for your artwork, typed out. Handwritten instructions will not be accepted.
