

## **Kennesaw State University Intramural Cup**

The Intramural Cup has been created to award teams who participate in multiple Intramural Sports throughout the year. Teams will earn sports for participating in each sport throughout the Fall and Spring 2009/2010. Teams have the opportunity to earn points for registering for events, attending captain's meetings and for final team placement. Teams will be penalized and lose points for failing to field enough to start or continue a game. Teams will also be penalized for unsportsmanlike conduct penalties assessed against their players

Individual Intramural Cups will be awarded for competition in Men's, Women's and Co-Rec divisions. Winning teams will have their names engraved on a trophy to be permanently displayed at KSU. Winning teams will also be rewarded with a replica trophy and commemorative apparel (item to be determined)

To accumulate points, a team must register with the same name and captain for each sport for the year. If there is to be a change in captain, the Intramural Coordinator must be informed of the change prior to registration. Points will be awarded based on the following structure in the sports listed below. If there are multiple skill divisions, points will only be offered to teams playing in the A division.

### **Registration Points**

Team Sport: 50 pts

Individual/Dual Sport: 10 pts per entry (up to 5 per team)

Attendance at Captain's Meeting: 10 pts (Captain must be in room before door is closed)

### **Penalty Points**

Team forfeit: -25 pts

Unsportsmanlike penalty assessed to team players, spectators or bench: -10 pts  
(per instance)

### **Final Placement points (tournament placement)**

#### Team Sports and Tennis

1st place: 100 pts

2nd place: 75 pts

3rd & 4th places: 50 pts

5th - 8th places: 25 pts

Qualify for playoffs and finish below 8th place: 10 pts

### **5K Race Participation**

Each team can have up to 5 players represent the team in the Turkey Trot and/or Daffodil Run. Each player must have appeared on a team roster for a sport within that semester and each player must also note the team they represent on their race registration form prior to the race. Each finishing 5K participant will earn 10 points for his/her team.
