

## PRACTICE ROOM RULES

- SOM practice rooms are available for majors and minors only, with reservations being made through applied lessons teachers. This will also allow for a record of practice room occupancy in the event that this information is needed for contact tracing.
- Students should not allow other students to enter the room without a reservation, and should close the door if they need to leave for the bathroom or a break.
- Music Stands, Chairs, and other School of Music supplies are not permitted to be removed from practice rooms.
- Practice rooms are reserved for music practicing only. Please do not use practice rooms for resting or studying.
- Windows may not be blocked or covered. For personal safety and out of consideration for others, please keep practice room doors closed and locked while practicing.
- No private teaching is allowed in practice rooms or any other SOM facilities without explicit permission from administration.
- All practice rooms will have a mandated air-out time to facilitate air exchanges, which will be incorporated into the reservation process.
- Students will be required to clean the surfaces in the practice rooms that they utilize (handles, buttons, switches, etc...) with the provided wipes. Although KSU has implemented rigorous cleaning protocols, individual students are responsible for playing their part in keeping these spaces clean.
- No food or drinks, other than water, are allowed in SOM practice rooms.
- Brass players: Please bring a towel with you to clean any condensation from your instrument.

**MAX OCCUPANCY:**

**1 PERSON**

Please report any problems with rooms or equipment to the  
BPC office at **(470-578-4750)**.

In the event of a security issue, campus police will be contacted.
