### **What are Campus Housing and the Dining Hall Like?**

**AWESOME!**

KSU does not have dorms we have SUITES- and our dining facilities are by far one of the best in the US – no joke really! Please let us know if you have special dietary concerns.

Excerpt from *The Sentinel*

The *Commons* dining hall at Kennesaw State recently received the No. 5 national ranking by [BestColleges.com's](#) list of the best college dining halls in the United States.

“These top dining halls excel in each of four areas: diversity and accessibility of food, commitment to nutrition and wellness, commitment to sustainability and waste reduction, and dedication to student satisfaction and community outreach,” BestColleges.com’s [website](#) said.

Senior Director of University Dining at KSU Jennifer Duggan said that University Dining takes pride in the food they serve to the KSU community and that they work endlessly to ensure the community has the greatest possible dining experience.

“Careful planning goes into creating nutritious menus that satisfy multiple generations’ tastes and dietary requirements,” Duggan said. “Of course, we are food-focused, but we are also highly committed to student engagement, social and environmental responsibility, and overall guest satisfaction. We truly care about the experience.”

Summer Intensive students will be housed in the Village Suites, conveniently located to the Bailey Center and Wilson Building. Dance students will be shuttled to Chastain Pointe via Mini-Vans after breakfast every day and returned by 5:00 p.m. Lunch will be served at Chastain Pointe.

### ***Village Suites***

All [suite rooms](#) are air-conditioned with private bedrooms (1 or 2 bedrooms) and private restrooms per suite. ADA compliant rooms and private rooms are available under special circumstances.

### **What will the daily schedule be like?**

All students will be in classes, rehearsals, or other activities from 8:30 AM – 9:15 PM each day. Lunch is served at noon with dinner at 5:30 PM. There will be some free time for most campers in the afternoons. You may use this time to socialize with other campers in approved areas, or rest. Each evening students will participate in a special activity planned. Participants will receive a more detailed schedule later in the Spring from each College of the Arts Unit (Art, Dance, Music, Theatre).

### **How do we get around?**

It will be necessary to walk to your classes and meals each day. The walk takes only a few minutes. Participants are advised to wear athletic shoes to daily activities and bring an umbrella in case of rain. Dance Students who are Overnight will be shuttled via minivan to Chastain Pointe after breakfast each morning and back to the main campus at dinner.

## **Rules**

Rules and Policies for ARTSKSU Summer Intensives can be found on the "General Rules and Policies" Information Sheet below. We expect our participants to always behave appropriately, with respect for other students and for the facilities of Kennesaw State University. Naturally, we do not allow harmful or unhealthy behavior (smoking, drinking) under any circumstances. We expect all students to participate in all camp activities and to follow the directions of camp staff and faculty.

We rarely encounter any discipline problems at our Summer Intensive. We believe our participants are among the best and brightest students in high schools. In those cases when a student commits gross misconduct or consistently demonstrates an inability to follow the rules, we usually send the individual home. This is rarely necessary, but not out of the question. We want you to have a wonderful experience at the KSU Summer Intensive. You can do so by following the rules and policies on the "General Rules Policies" form.

## **What if I have questions?**

Please don't hesitate to let us know, as we want your experience to be as enjoyable and trouble-free as possible. We are looking forward to a great summer intensive, and hope you are too.
