**To be Completed by Referring School System:**

The above candidate applicant has the district and school support to enter the Educational Leadership Tier II Certification Program at Kennesaw State University. The school and system will participate in the program as outlined in the University/School System Partnership Agreement for the Development of Educational Leaders.

PSC Rule 505-3-.77 States the following:

Serve in a leadership position at either the P-12 school or LUA level (or agency or organization equivalent to LUA level) that will enable the candidate to fully meet the program’s clinical requirements. Candidates who do not serve in a leadership position as described above may be enrolled if the EPP and employer establish a formal, written agreement specifying the candidate will be released from other responsibilities for two full days per week or the equivalent to allow the candidate sufficient time to participate in and successfully complete clinical work.
