

## College of Computing and Software Engineering (CCSE)

**April Achievements of Faculty, Staff and Students. CONGRATULATIONS and WELL DONE!**

Congratulations to the 2024 recipients of the KSU Faculty Awards from CCSE.

Outstanding Early Career Faculty: Dr. Maria Valero de Clemente, Department of Information Technology.

Outstanding Scholarship and Creative Activity Award:  
Dr. Abhishek Parakh, Department of Computer Science

Congratulations to Lingyan Wang on her \$3000 grant award through (ALG) Affordable Learning Georgia.

ALG: Affordable Learning Grant, round 25: Continuous Improvement Grants. The main concept of the project is to revise open educational resources (OER) used in existing courses and to create ancillaries for existing OER courses.

Congratulations to our CCSE Faculty Award winners!

Tu Nguyen: Outstanding Early Career Faculty.  
Abhishek Parakh: Outstanding Scholarship and Creative Activity.  
Jiho Noh: Outstanding Teaching.  
Dan Lo: Outstanding Professional Service and Community Engagement (all pictured below)

Ferosh Jacob: Outstanding Part-time Teaching.  
Kun Suo: Outstanding On-line Teaching.
