

SWEGD Strategic Goals

(Proposed in April 2021)

1. To increase the number and quality of graduates who are well prepared for careers and continued learning.
2. To increase the number of graduates (including Ph.D. and Postdoc) for high-impact research and creative activity.
3. To encourage faculty and student engagement to increase research activities with internal and external funding constituencies.
4. To increase the visibility and engagement of SWEGD in local and global communities.
5. To explore and create novel teaching opportunities and creative activities, including interdisciplinary collaborations.
6. To recruit, and retain high quality faculty and staff.
7. To seek and secure additional resources and facilities as needed, to maintain a high quality academic environment.
8. To promote the newly established online BSCGDD and BSSWE Programs.
