

Greetings! It is with the greatest pleasure that I welcome new and returning students to the Leven School for the Spring 2023 semester. Student success is at the core of our mission here at Leven. Our newly constituted student advisory board is one way to let faculty and administrators know how we can work to make you more successful. Please reach out to your new officers with thoughts and suggestions, or personally drop me a line. I'd love to hear from you!

The School will also be running several events this semester, including an alumni panel on March 23. Our student clubs also host events, which are a great way to network and enrich your experience at KSU. The CEO club has a particularly active semester planned with numerous guest speakers and get togethers. Events for other clubs can be found on Owl Life.

Finally, we are pleased to announce that our HR minor has been approved to start in Fall 2023. Students who take a sequence of courses in human resources management will have the required knowledge to take the SHRM-CP (Certified Professional) Exam, a signal to employers that they are well prepared for a career in the field. Required courses include: MGT3100, MGT4002, MGT4171, MGT4172, and MGT4173. Interested? Please see your advisor for more details on how to declare this minor when it becomes available in the Fall.

No matter your program, I hope you have a wonderful semester and embrace all the opportunities that the Leven School has to offer.

Steven E. Phelan, Ph.D.

LEVEN SCHOOL STUDENT ADVISORY BOARD OFFICERS

Congrats to our new Leven School
Student Advisory Board Officers!

The new officers of the Leven School Student Advisory Board for
Academic Year 2022-23:

President - Kimberley Stevens (MGT)

Vice Presidents - Stetson Mitchell (HMGT) & Brendan Franke (ENTR)

Class Presidents - Nikita Fields (MGT, Junior) and Peyton Kulig (MGT,
Freshman)

Meet The President : Kimberley Stevens

Email: kspicer1@students.kennesaw.edu

I am energetic, positive, and a passionate leader with 8+ years with Call Center industry experience and 10+ years in leadership. As I have progressed in my career, I want to see students to continue to do the same. I am committed to hearing students' feedback and thoughts along with implementing as much as we can with the help of the advisory board. When I am not focusing on homework, I like to read or watch videos that will help me elevate my leadership skills. I also enjoy helping others with their career, traveling, spending time with my husband and fur baby. Life is precious and we should live it to the fullest.

I am non-traditional student who understands that nothing comes easy without hard work along with surrounding yourself with people who advocate for your success. As I navigate through my last year at Kennesaw, I want to advocate for our student success and open to hearing my classmates' thoughts as we are the future.

Keep up with all upcoming events via Social Media (links at the bottom of the email) or on OwlLife: <https://owllife.kennesaw.edu/organization/levenschool>

STUDY ABROAD OPPORTUNITY

Interested in international entrepreneurship and study abroad? Consider participating in the Experiential Entrepreneurship Study Abroad program in Italy this summer May 26-July 1, 2023. This is a great opportunity to complete a certificate in entrepreneurship to add to your resume, while experiencing entrepreneurship in a different culture. There are only a couple of spots left in the program, and the program is first-come, first-served based on applications and paying the \$300 non-refundable deposit. The final deadline for applying is February 15, 2023. Once the spots fill up, you can add yourself to the waitlist. Apply soon to reserve your spot!

The price for the 5-week program has just been reduced to \$3600 (excluding airfare). The prerequisite for the program is completion of ENTR3001 Entrepreneurial Thinking, which will be offered online during Maymester 2023 for any students who still need it. The study abroad program is open to all students who have completed the prerequisites (not just Coles students), so share the word with your friends!

Program Includes: ENTR 4002 - New Venture Creation ENTR 4005 - Entrepreneurial Experience Plenty of cultural activities!
