Complete the professionalism and/or communication milestone badge this semester for big incentives! Milestone badges only require five completed activities- you've got this! If you complete the badges before the dates above, you'll be invited to an exclusive reception with employers from SPAR Solutions and/or Synovus. All students are encouraged to attend the All-Access employer panel events on November 6th and 15th, but only badge completers can join the receptions. We're planning to see you there!

Flight Academy

We proudly recognized the first ten students who successfully earned the Coles 101 badge this semester, along with one lucky grand prize winner selected through a drawing at ColeFest! Congrats to all winners and be on the lookout for Flight Academy incentives throughout the semester.

Completers of the professionalism and communication badges will be invited to an exclusive reception with employers this semester. And, of course, now those badges are easy to share with your LinkedIn network.

Career Coaching

The CSS is thrilled to announce the return of its “Everyday Entrepreneurs” series this fall semester!

Dr. Carolyn Foster, a renowned career coach and instructor for BUSA 2150 and BUSA 4150, initiated this valuable opportunity for Coles students last fall.

With Dr. Foster’s extensive industry expertise and

established connections, she continues to introduce students to a variety of everyday entrepreneurs. These panel-style discussions have unveiled the keys to entrepreneurial success through real-world interactions, shedding light on the challenges faced by aspiring business owners. At Coles College, we are beyond grateful for Dr. Foster’s dedicated efforts.
