

## Bimal Bivek

Vice President Strategy and Planning

Bimal Bivek serves as Vice President, Strategy and Planning. In this role, he leads enterprise Corporate Investments that focus on building new solutions and capabilities to improve competitiveness. He employs rigorous planning, prioritization, and execution performance monitoring to maximize enterprise value capture.

Bimal also leads an operations command center that proactively identifies issues using advanced analytics and AI, rapidly identifies the root cause, then activates an immediate response to resolve the issues.

Known for his servant leadership and ability to deliver results, he focuses on building high performing teams through talent development, mentorship, and culture building.

A native Atlantan and a graduate of Emory University and Scheller College of Business at Georgia Tech (MBA), Bimal is active in the local community. He spends his time coaching his daughter's soccer team and previously coached his son's little league team. He serves on the board of directors at TechBridge and regularly participates in local community events.
