

Reed Liggin, is an entrepreneur in the healthtech industry. He is currently the CEO of SlicedHealth ([slicedhealth.com](https://slicedhealth.com)), an A.I.-driven SaaS company that enables hospitals and physician practices to discover, uncover and recover their missing revenue. Previously, he was CEO of eazyScripts Technology, an ePrescribing vendor focused on the Telemedicine space. He guided the company to a successful acquisition in late 2019. Prior to that, he was President and CEO of RazorInsights, the healthcare industry's first single-database, complete financial and clinical hospital information system in the cloud. In January 2015, RazorInsights was acquired by athenahealth and Reed served as Vice President of Hospital until April 2017. He is a Pharmacist with over 30 years of experience in the healthcare industry. During his career, he has served in sales and management roles for McKesson and Allscripts as well. Reed has served as a board member with four startups: eazyScripts Technology ([eazyscripts.com](https://eazyscripts.com)), HealthTalk A.I. ([healthtalkai.com](https://healthtalkai.com)), SlicedHealth and RazorInsights. He holds a B.A. in Biology from the University of West Georgia, a B.S. in Pharmacy from the University of Georgia, and a M.B.A. from the University of Massachusetts-Amherst.
