#### KSU Writing Center

Whether you're a business major working on a proposal, a graduate student writing your dissertation, or an engineering student composing a report, your writing will be judged by instructors now and by potential employers later. The KSU Writing Center is here to support your development as a writer so that you become a more articulate and fluent communicator at the university and beyond.

### Help us Protect the Nest!

The Georgia Department of Public Health has designated Kennesaw State University as a distribution site to provide COVID-19 vaccinations to all students, faculty, and staff. KSU has partnered with Wellstar Health System to give the vaccinations to our campus population.

The vaccines are a critical tool to help "Protect the Nest" and we strongly encourage everyone to take this step to advance the health and safety of our campus community.

You may walk into any of our three Student Health Services clinics without an appointment to get your vaccine between 8:30 AM and 4:30 PM, Monday through Friday, or you may call 470-578-6644 to schedule an appointment. Only active KSU employees and enrolled students are eligible to receive the vaccine on campus. If you have additional questions not addressed by the FAQ below, [email vaccine@kennesaw.edu](mailto:vaccine@kennesaw.edu)

#### Career & Internship Advising
