

Chris Arrendale has more than 24 years of experience in the technology, privacy, security, and software industry. He is a serial entrepreneur with multiple ventures and successful business exits. Chris graduated with his AA from Oxford College of Emory University, BA from Emory University and his MS from Southern Polytechnic State University. He also maintains several professional certifications including Certified Information Privacy Professional (CIPM, CIPT, CIPP/US, CIPP/E, CIPP/G, FIP), Certified Information Systems Security Professional (CISSP), Certified Ethical Hacker (CEH), Certified Information Systems Auditor (CISA), Certified Data Privacy Solutions Engineer (CDPSE), Payment Card Industry Professional (PCIP), as well as many other marketing, privacy, and cloud certifications. He is a frequent keynote speaker on multiple technology topics including privacy, compliance, cybersecurity, AI, and IT. Chris has also previously held multiple leadership roles, worked as a CISO with multiple organizations, and started multiple professional (IT, software, cybersecurity) consulting companies. In his free time, Chris enjoys playing golf and traveling.
