Program Student Learning Outcomes

Upon completion of this degree from KSU, students will be able to:

- Develop, advocate, and enact a shared mission, vision, and core values of high-quality education and academic success and well-being of each student.
- Act ethically and according to professional norms to promote each student’s academic success and well-being.
- Strive for equity of educational opportunity and culturally responsive practices to promote each student’s academic success and well-being.
- Develop and support intellectually rigorous and coherent systems of curriculum, instruction, and assessment to promote each student’s academic success and well-being.
- Cultivate an inclusive, caring, and supportive school community that promotes the academic success and well-being of each student.
- Develop the professional capacity and practice of school personnel to promote each student’s academic success and well-being.
- Foster a professional community of teachers and other professional staff to promote each student’s academic success and well-being.
- Engage families and the community in meaningful, reciprocal, and mutually beneficial ways to promote each student’s academic success and well-being.
- Manage school operations and resources to promote each student’s academic success and well-being.
- Act as agents of continuous improvement to promote each student’s academic success and well-being.
