

KENNESAW STATE UNIVERSITY

Undergraduate Program Name: BA in Art History

Graduate Program Name: MA American Studies

Pathway Description:

Bachelor of Art (Art History) students pursuing a Double Owl with the Norman J. Radow College of the Humanities and Social Sciences Master of Arts in American Studies, Cultural Production cluster, will broaden their Art History studies by developing research and analytical skills to view American public history and culture within larger world systems. This pathway aligns with the BA Art History degree and students will be equipped with the breadth of knowledge and experience to pursue more advanced career opportunities than those afforded with a solitary BA.

Note: Although the B.A. Art History is a deactivated program, this Double Owl is of value to existing B.A. Art History students as the program anticipates final cohort graduation in AY 2021-25.

CLO alignment: As the B.A. curriculum contains upper-division elective coursework options for Related Studies, the M.A. coursework enhances the undergraduate experience while also working towards graduate program requirements.
