***Note:** All submissions and transactions should be submitted before 5:00 p.m. on the required due date in the electronic system to have access to technical support. While any transactions submitted by 11:59 p.m. on the due date will be deemed timely, no technical support will be available after 5:00 p.m. on the due date.

****Note:** Within 10 calendar days from the date of Advance of each review recommendation, the faculty member has the right to respond to the committee's or administrator's recommendation and justifications by submitting a letter written by the faculty member to the reviewing committee or administrator for the information of the next level of review. The faculty member will place the response letter into the digital portfolio workflow. The response letter should address the interpretation of the information in the portfolio, but it should not include new evidence to be considered in the review process. The reviewer (committee or administrator) does not respond to this letter.
