Correction of previous minutes

Issues On November 7th, not long before the meeting, we were informed that the name of the representative for the Human Services department was incorrect. Also, two senators reported attendance at the October meeting that was not recorded correctly on the attendance sheet. One senator asked that on the D+/D- discussion, we add the fact that faculty have more options when grading on this scale.

Actions

- The minutes have been amended to reflect the correct name and attendance of the representative for the Human Services department in the August, September, October, and November minutes.

- The October minutes have been amended to reflect the attendance of the two senators who contacted us about this matter.
- Clarification was added on the D+/D- discussion that faculty have more options when grading on this scale.

Resolution The faculty senate accepts the revised minutes for August, September, October, and November.

Further Comments To ensure accurate records, please make every effort to sign the attendance sheet. If, for some reason, you are missed during its distribution, please contact Teresa Banker (tbanker@kennesaw.edu) so these changes can be made before the minutes are approved at the following meeting
