Resolution on Faculty Senate Membership

The Department of History and Philosophy expresses its sincere concern regarding the Senate response to the recent appointment of the university president. The Faculty Senate is the voice of the university faculty. In some departments, the duties and responsibilities of senators seem to be deemed “low level” service often relegated to junior or non-tenured faculty. This threatens shared governance at Kennesaw State University and limits the effectiveness of the Faculty Senate. Senators should be knowledgeable about faculty and university affairs and should regularly consult with department faculty before making a decision. Faculty Senators should be active participants in decision making at all Senate meetings. In Annual Performance Review this service should be documented as noteworthy and valuable service to the department and the university. Most importantly, senators should feel free to express their opinions and concerns freely and without fear of repercussion. For these reasons, the Department of History and Philosophy resolves that all Faculty Senators should be tenured faculty, except in the case that no member of the teaching faculty in a department is tenured. The Department requests that KSU Faculty Senate amend language in section 3.1.1 of the University Handbook to read that "Eligibility to serve as the department's senator is restricted to the full-time ~~tenured tenure track, non-tenure track, and temporary~~ faculty of the department, excluding the department chair, *except in the case that no member of the teaching faculty in a department is tenured.*"

General Education Council, GEC (permanent) — assigned to the Faculty Senate and advisory to the Associate Vice President for Curriculum

a. Purpose: The General Education Council serves as an advocate for and facilitator of the general education program on the KSU campus. It is the voice that speaks for the general education program, much as the academic departments speak for their majors. Its goal is to develop and maintain a unified, integrated, and effective general education program. The council is advisory and submits proposals to the UPCC.

b. Membership: The council is chaired by the ~~Associate Vice President for Curriculum~~Faculty Director of General Education. General education coordinators are those faculty/administrators who coordinate general education activities in their respective departments and function as liaisons between those departments and the council.

i. TF ~~2023~~: one general education coordinator from each discipline represented in the core: anthropology (~~appointed by chair~~), art & design (~~coordinator of art & design~~), molecular & cellular biology (~~elected~~), ecology, evolution, & organismal biology (~~elected~~), chemistry (~~elected~~), communication (~~general education coordinator~~), criminal justice (~~volunteer~~), dance (~~coordinator of dance~~), economics (~~appointed~~), English (~~director of composition~~), foreign language (~~coordinator of French programs~~), geography (~~appointed by chair~~), history (~~appointed by chair~~), interdisciplinary studies (~~elected~~), mathematics (~~appointed by chair~~), music (~~appointed by dean~~), philosophy (~~selected~~), physics (~~appointed~~), political science (~~appointed by chair~~), psychology (~~coordinator general psychology~~), sociology (~~volunteer~~), statistics (), and theatre and performance studies (~~coordinator of theatre~~).

ii. The coordinator of WELL 1000.
