

## Graduate Student Lounge Now Open

The new space for graduate students is in the Academic Learning Center, room 3550 and offers a serene environment for studying, group projects, brainstorming sessions, and workshops.

A current Talon Card is required for entry. Update your Talon Card at a HotSpot to refresh your access. Hold your Talon Card up to the HotSpot and repeat every seven days.

Virtual students who wish to access the Lounge must purchase a Talon Card at the Talon One Service Center at either the James V. Carmichael Student Center on Kennesaw Campus or the Joe Mack Wilson Student Center on the Marietta campus.

## Graduate Research Fellowship Program

### NSF Graduate Research Fellowship Program (GRFP) Info Session

The National Science Foundation's Graduate Research Fellowship Program (NSF GRFP) is one of the country's flagship programs for supporting the next generation of researchers in STEM fields (including STEM education). It provides three years of financial support for graduate study in STEM fields, including an annual stipend of \$37,000. Read about this opportunity [here](#).

In conjunction with the Office of National and International Scholarships and Fellowships (ONISF), the Graduate College is offering an info session/grant-writing workshop for students interested in applying to the NSF GRFP.
