

PEDESTRIAN PROJECT 2023-24

KENNESAW CAMPUS

Lot D and Lot J (Complete)

- Lot D will be taken offline to allow for the new entrance to be added on Prillaman Way.
- The former entrance to Lot D on Owl Drive will be permanently closed to facilitate one-way traffic on Owl Drive.
- Faculty and staff will be able to temporarily park in Lot J while Lot D is offline.

Lot B (Complete)

- Construction on a second entrance to Lot B will begin on Paulding Avenue. Lot B will remain open to faculty and staff during this construction.

Bartow Avenue (Complete)

- The section of Bartow Avenue past the entrance to Cartersville Drive will be permanently closed to all vehicular traffic except Service Vehicles and ADA Vehicles.

Owl Drive (Complete)

- Owl Drive will become a one-way road open only to buses, bikes and emergency vehicles traveling northbound.

Pedestrian Areas

- Pedestrian areas near the Campus Green, Carmichael Student Center, Cobb Avenue and Owl Drive will be closed periodically for curb work and restriping.
- A new Pedestrian Promenade will be constructed near the former Lot B entrance (now Lot C entrance) which will prevent vehicular traffic between Lots B and C.

Kennesaw State Rd.

- The section of Kennesaw State University Road past Paulding Avenue, which was formerly the Visitor Lot entrance, will be taken offline as the entrance is now closed and the bus lanes are being widened to include a bike lane.
- New bus shelters and crosswalks will be installed in front of the Recreation Center and the Science Building.
