

## POST-WRITING WRAPPER

This activity is designed to help you reflect on your writing and identify targeted improvements.

**How much total time did this written assignment require?**

**Estimate what percent of your time was spent on each of these activities?**

Writing ideas/brainstorming

Reading/studying course materials

Connecting ideas

Researching sources

Thinking about the topic

Creating an outline

Writing

Editing

Revising

Citing

Proofreading

Having a friend read your work

Other:

**Estimate the points you lost on the assignment due to:**

I had difficulty connecting ideas

I could not find sources to support my interpretation

I made grammatical errors

I did not organize the assignment well

I did not understand the assignment expectations

I did not give myself enough time to write

I did not give myself enough time to edit and revise

I did not cite my sources correctly

Other:

**What might you do differently next time?** For example, will you spend more time on part of the process, start your preparation earlier, change a specific study habit, visit office hours, or something else? Be specific.
