

PRE-WRITING WRAPPER

This activity is designed to give you a chance to focus on your writing before starting an assignment. The goal is to help you evaluate your own preparation and focus on the assignment requirements.

What is this assignment really about? Look at the assignment and evaluation criteria. What are the most important things you need to focus on?

What are the parts of the assignment that need to be completed? For example: thesis, research, sources, bibliography, outline, or drafts?

What percent of your time should be spent on each of these activities?

You do not need to select all of these suggestions.
