- Click on “change” in the “Primary Program” section to declare your nursing pathway.

Students should review their current Academic Program information below and make updates, changes or remove certain information related to their Academic Program.

- Students are encouraged to meet with their Academic Advisor before submitting any program changes. ([advising.kennesaw.edu](mailto:advising.kennesaw.edu))
- Students should utilize the “What-If” function in DegreeWorks to see how the changes will impact their degree progression. ([DegreeWorks](#))
- Students making changes to their program or concentration will be updated to the current catalog year. Students with questions regarding catalog year should contact their Academic Advisor.

6. Click “select” beside the new program you are interested in.

7. A message will display that your major request is pending.

The screenshot shows a navigation bar with links: Home, Adviser Services, Schedule Building, Employee Services, Faculty Services, Financial Aid, Registration, Student Records, Student Services, Graduation, Registrar's Application. Below the navigation bar is a search box and a message: "Your request has been submitted and has been sent to the Academic Department for review and processing. Please allow 5-10 business days to process your request." At the bottom of the message is a button labeled "Back to Change Major Portal".

8. You can select Back to Change Major Portal, where you can monitor that status at the bottom of the page under “Request Information.”

- a. If you decide that was not the major you intended, you can Cancel your pending request in the “Request Information” section. Here you can also see any notes from the academic department if your request was declined.
