Schedule of prior audit findings and questioned costs	23

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Kennesaw State University Research and Service Foundation, Inc. Kennesaw, Georgia

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of **Kennesaw State University Research and Service Foundation**, **Inc.** (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kennesaw State University Research and Service Foundation, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 19, 2019, on our consideration of Kennesaw State University Research and Service Foundation, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Kennesaw State University Research and Service Foundation, Inc.'s internal control over financial reporting and compliance.

Manddin & Jenlins, LLC

Atlanta, Georgia February 19, 2019

# KENNESAW STATE UNIVERSITY RESEARCH AND SERVICE FOUNDATION, INC. NOTES TO FINANCIAL STATEMENTS

#### NOTE 1. ORGANIZATION

Kennesaw State University Research and Service Foundation, Inc. (the "Foundation") was established and incorporated as a non-profit organization in the state of Georgia in August 2005 to contribute to the educational, research and service functions of Kennesaw State University (the "University"). The Foundation secures gifts, contributions and grants from individuals, private organizations and public agencies and obtains contracts with such individuals or entities for the performance of sponsored research, development, education, or other programs by the various colleges, schools, departments or other units of the University. All research grants awarded to the Foundation are subcontracted to the University. At June 30, 2018 and 2017 there was \$4,145,724 and \$3,161,092, respectively, due to the University related to research grants awarded. The amounts are included in accounts payable on the statements of financial position.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

The accompanying financial statements of the Foundation have been prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America.

The Foundation presents its financial statements in accordance with Financial Accounting Standards Board (FASB) ASC, *Financial Statements of Not-for-Profit Organizations*. Under this standard, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. The Foundation does not have any permanently restricted net assets as of June 30, 2018 and 2017.

Unrestricted net assets include amounts that are not subject to donor-imposed stipulations, which are used to account for resources available to carry out the purposes of the Foundation. The principal sources of unrestricted funds are grants and contributions.

Temporarily restricted net assets are those resources currently available to use, but expendable only for purposes specified by the donor or grantor. Such resources originate from grants and contributions restricted for specific purposes. When a donor or grantor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### Cash Concentration

The Foundation maintains cash balances at a high quality financial institution. Cash balances are insured by the FDIC for up to \$250,000. Cash balances often exceed the FDIC insurance limit; however, management does not believe it is exposed to significant credit risk on its account.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Contributions**

Contributions are recognized when a donor makes a promise to give to the Foundation that is, in substance, unconditional. Donor-restricted contributions are reported as increases in unrestricted, temporarily restricted or permanently restricted net assets depending on the nature of the restrictions, or absence thereof.

#### **Revenue Recognition**

Revenue from research and service agreements is recognized based on the portion of work completed. Revenue from reimbursement basis grants is recognized as expenditures are made.

#### **Grants Receivable**

Grants receivable represents amounts due to the Foundation for research and service from various funding sources. An allowance for uncollectible receivables is provided based on management's evaluation of potential uncollectible amounts at year end. As of June 30, 2018 and 2017, the allowance for uncollectible receivables was \$551,376 and \$195,343, respectively.

#### **Deferred Revenue**

Deferred revenue represents funds received from reimbursement basis grants and research and service agreements prior to the Foundation incurring related reimbursable costs.

#### **Donated Salaries**

Donated salaries are reflected as revenues and other support in the accompanying statements of activities at their estimated values at the date of receipt. Donated salaries represent salaries and wages paid by the University on behalf of the Foundation. Donated salaries totaled \$341,697 and \$332,213 for the years ended June 30, 2018 and 2017, respectively.

#### **Fair Value of Financial Instruments**

At June 30, 2018 and 2017, the carrying value of financial instruments such as cash, grants receivable, and accounts payable approximated their fair values due to the short-term maturity of these financial instruments.

#### **Recent Accounting Pronouncements**

In August 2016, the FASB issued ASU 2016-14, Presentation of Financial Statements of Not-for-Profit Entities (Topic 958), which will require adoption of multiple changes to the non-profit reporting framework, including presentation of net assets using two net asset classes, changes to the requirements of the statement of cash flows, and enhanced disclosures around designations, liquidity, and functional expenses, among other requirements. The Foundation is assessing the impact of the new standard on its financial statements.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Income Tax

The Foundation is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code and is classified as an organization which is not a private foundation under Section 509(a) of the U.S. Internal Revenue Code.

The Foundation accounts for uncertain tax positions in accordance with accounting standards that provide guidance on when uncertain tax positions are recognized in an entity's financial statements and how the values of these positions are determined. No liability has been recorded as of June 30, 2018 and 2017 due to uncertain tax positions.

#### **Functional Allocation of Expenses**

The cost of providing various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### NOTE 3. FAIR VALUE MEASUREMENTS

GAAP has established a framework for measuring fair value that provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

#### NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

*Investments in Georgia Fund 1* – Valued at the net asset value of shares held by the Foundation at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair values of the Foundation's investment assets at June 30, 2018 and 2017, by asset class are as follows:

	Investments at Fair Value as of June 30, 2018							2018
	Le	/el 1	Level 2		Level 3			Total
Georgia Fund 1

Government bonds				186,482				186,482
	\$	-	\$	1,695,299	\$		\$	1,695,299

#### NOTE 4. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are contributions received to support the research of specified scientific investigators. These amounts result from contributions from granting agencies and other institutions which provide support.

At June 30, 2018 and 2017, temporarily restricted net assets were available for the following:

	 2018		2017
Research agreements	\$ 527,986	\$	547,911

Temporarily restricted net assets consist of cash at June 30, 2018 and 2017.

#### NOTE 5. NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from restrictions during the years ended June 30, 2018 and 2017 by incurring expenses satisfying the restricted purpose of research and service as specified by donors and grantors. Net assets released from restrictions totaled \$606,142 and \$547,633 for the years ended June 30, 2018 and 2017, respectively.

#### NOTE 6. COMMITMENTS

Grants often require fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to the grantor. Although the return of funds is a possibility, the Foundation deems the contingency unlikely as the Foundation has implicitly agreed to comply with the provisions of each grant received.

#### NOTE 7. CONTINGENCIES

The Foundation is working with a federal agency to review grant expenditures concerning potentially unallowable or unsupported costs. The expenditures under review relate to grants that were transferred to the Foundation from Southern Polytechnic Applied Research Corporation ("SPARC").

Management and its counsel estimate the maximum value of the unallowable or unsupported costs to be \$670,000. While the amounts are being appealed by management, the final outcome of the appeal will likely result in amount not to exceed \$670,000 being owed to the federal agency. The settlement of the claim will be satisfied by a combination of outstanding receivables at the Foundation and by cash held at SPARC. The allowance for uncollectible receivables discussed in Note 2 includes \$415,308 due from the agency at June 30, 2018.

The final outcome could not be determined as of the date of this financial report.

#### NOTE 8. SUBSEQUENT EVENTS

Management has evaluated events occurring through February 19, 2019, the date the financial statements were available to be issued.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2018

#### NOTE 1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Kennesaw State University Research and Service Foundation, Inc. and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Some amounts presented in this schedule may differ from amounts presented in, or used in, the preparation of the basic financial statements.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Foundation has elected not to use the 10% de minimis cost rate as allowed under the Uniform Guidance.

#### NOTE 3. SUBRECIPIENT

Substantially all federal expenditures identified in Kennesaw State University Research and Service Foundation, Inc.'s Schedule of Expenditures of Federal Awards were sub-awarded to Kennesaw State University.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Kennesaw State University Research and Service Foundation, Inc. Kennesaw, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Kennesaw State University Research and Service Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 19, 2019.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Kennesaw State University Research and Service Foundation, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Kennesaw State University Research and Service Foundation, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Kennesaw State University Research and Service Foundation, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Kennesaw State University Research and Service Foundation, Inc. Kennesaw, Georgia

#### Report on Compliance for Each Major Federal Program

We have audited Kennesaw State University Research and Service Foundation, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Kennesaw State University Research and Service Foundation, Inc.'s major federal programs for the year ended June 30, 2018. Kennesaw State University Research and Service Foundation, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Kennesaw State University Research and Service Foundation, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Kennesaw State University Research and Service Foundation, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Kennesaw State University Research and Service Foundation, Inc.'s compliance.

#### Opinion on Each Major Federal Program

In our opinion, Kennesaw State University Research and Service Foundation, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

#### Report on Internal Control Over Compliance

Management of Kennesaw State University Research and Service Foundation, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Kennesaw State University Research and Service Foundation, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Kennesaw State University Research and Service Foundation, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
