

Scholar Spotlight Series

Dr. Chris Cornelison *Assistant Vice President of Innovation and Strategic Partnerships*

Wednesday, October 15 • 12:30 to 2:00 pm
The Nest, First Floor, Sturgis Library *Kennesaw campus*

As a prominent researcher at KSU, Dr. Cornelison is engaged in mentoring graduate and undergraduate researchers across multiple disciplines.

Bring your lunch and join the discussion with Dr. Cornelison to learn about their work with the MycoSolution VIP Teams. Dr. Cornelison will be joined by a KSU graduate student Mark Sheehan to share their experiences navigating faculty-student research partnerships.

Please register in advance.
