**2. Kennesaw Society of Black Engineers-Khalil Lawal**

The Annual Convention showcases black students and professionals who have a passion for science, technology, engineering and math (STEM), who are high achievers in these fields and who are channeling their dedication to advance their communities and society at large. #NSBE46 will attract more than 14,000 aspiring and practicing engineers, educators and representatives of more than 250 academic institutions, government agencies, corporations and nonprofit organizations. The convention will feature high-profile speakers, panel discussions, dynamic workshops, networking sessions, community engagement events, technical and scientific competitions, hands-on engineering and science activities and the premier career fair geared toward African Americans in STEM. Housing - We intend to cover the housing costs for approximately 50 members for the dates specified above. The screenshot given below is a representation of the cost per room. This total is \$986.54 per room. We would like to acquire 10 rooms to accommodate our 50 members. The total cost of all of the hotel rooms will be \$9,865.40.

**3. K-Pop Dance Club at KSU-Kianna Cruz**

This request is for traveling fees for a dance competition located at the University of California, Los Angeles. We have been given the opportunity to compete in the California Competition hosted by the UCLA organization, the Korean International Students Association. The competition title is Kfactor and groups around California and in the U.S will compete. We will be one of the only Georgia Universities in attendance. The price of a roundtrip flight to Los Angeles would be \$262.40 with taxes included per student, this permitted that the flight prices don't fluctuate. Hotel rooms are an average nightly rate of \$695. Our total for the days we are staying would be \$2,314.35 for the hotel rooms. We will be staying for 3 nights, the show is May 22 with rehearsals days on May 20, May 21 and the day of the show as well. If plane tickets do not fluctuate, \$262.40 per plane ticket x 21

students = \$5,510.4 Hotel Rooms \$695 per night = \$2,314.35 for 5 hotel rooms which can fit 4 people in 4 rooms and 5 people in one room for 3 nights \$30 transportation fees for students x 21 students = \$630.

#### **4. K-Pop Dance Club at KSU-Kianna Cruz**

K-Pop Dance Club at KSU is planning its first-ever showcase for the performance team, Seoul In Kennesaw. The showcase will be open to all students and not just members of the organization. We are looking to get our food and prizes sponsored so we are only looking for funding for studio rentals and decorations. The team will need much preparation for this show so we are looking to get off-studio rentals for practices so that we may have access to mirrored dance rooms. We cannot access them on campus which is why we are seeking off-campus ones. Our studio provider offers studios for \$75 for our practice times of 2 hours and 30 minutes. We will be having practices three times a week and one full team practice at the beginning months. When we near the showcase, we will have more practice. Leading up to the showcase, we will have a total of 19 rehearsals which will cost \$1,425. For decorations, we are looking to have a backdrop which will be \$76.98 for both the backdrop stand and the backdrop cloth. Other decorations we are looking to purchase are tablecloths, wall decorations, centerpieces, decorations for the backdrop and balloons. The average total for the other decorations will be \$200. The grand total for the event is \$1,701.98. We are requesting \$1,800 in case prices fluctuate.

#### **5. Esports Organization-Norman Reid**

Our RSO's competitive Super Smash Bros. team have qualified for the Southeast Regional Tournament that is being held in Florida on February 16th. Twelve teams in the region qualify for this event to proceed to the Divisional & National events. Our team will compete versus other top teams from other schools in our region to become a representative in the Super Smash Bros. collegiate scene. This funding request will be for traveling expenses (a round trip) from the Marietta campus to Orlando, Florida. We received a quote (\$2,300) from the company we'd like to ride with on January 10th. The quote expires on January 17th, which means the price is subject to change. We do not expect the quote to increase more than \$200. The quote we received is attached as a supplemental document.
