#### **10. Department of Fraternity & Sorority Life: Stacey Hurt-Milner**

This event aims to educate the KSU community on various aspects of Hazing. The desire to belong within student organizations, whether athletics, bands, dance teams, fraternities, and sororities, is vital to understanding how groupthink can manifest into risky behavior. The speaker (Dr. Lori Hart) will

Speak to engage students on risk (Hazing) and how campus culture feeds into unhealthy conduct. This event will be open to all KSU students. Specific invitations will be sent to the following departments' Athletics, Band Director, Student Activities, Res Life, and Intramural and Rec Sports to ensure their students can attend as they are among those organizations that are seen as prominent high-risk organizations that are often exposed to elements of Hazing.

**13. Society of Women Engineers: Charlotte McClung**

WE 23 is a conference hosted by the Society of Women Engineers in Los Angeles, CA. This conference is an excellent medium for KSU students to network with companies, gain insight from world renowned speakers/persons, present their research with professionals, and meet like minded individuals. This conference is an excellent opportunity for KSU students to learn and grow. The president, vice president, and treasurer of the KSU SWE chapter researched prices of flights, lodging, and conference registration months out from the conference. This money will be used to provide an enjoyable and professional experience. We would like to sponsor five people to fly to Los Angeles for the WE 23 Conference in October of 2023. We are trying to cover the cost of flights to and from Los Angeles as well as lodging in nearby housing for 3 nights and 4 days. We are also trying to cover cost of ride sharing from the airport to the lodging and the conference center.

**14. Student Veterans of America at Kennesaw State University: RJ Norman**

To provide student veterans and all KSU students with the necessary resources and financial support to organize, host, and participate in various events, workshops, and programs on both campuses. These events are intended to foster a sense of community, camaraderie, and academic success among all KSU students and student veterans, helping them thrive in their academic pursuits and creating a supportive environment for their fellow servicemen and servicewomen. KSU Military

Appreciation Week Schedule: Monday - Snack & Write: This event takes place on both campuses and is designed to allow students to show their support for soldiers deployed overseas. The event involves tabling where students can enjoy snacks while writing thank-you letters to our troops. By coming together to write these letters, the KSU community fosters a sense of unity and demonstrates its common goal of supporting our troops. Tuesday - Candle Light Vigil: A solemn and respectful vigil held either on the campus green or at the gazebo. This event is dedicated to honoring our fallen soldiers and recognizing their service to our country. Through this candlelight vigil, the KSU community comes together to pay tribute and remember those who made the ultimate sacrifice. Wednesday - Game & Movie Night: This fun and engaging event aims to build a closer community at KSU, especially among military-connected students. It involves showcasing a comedic movie based on the military, providing an enjoyable and lighthearted atmosphere. Alongside the movie screening, students can enjoy snacks and participate in various games, further fostering camaraderie and connections. Thursday - Community Project: In the spirit of veterans giving back to their country through their service, SVA organizes a community project. The main objective is to partner with a veteran organization for a road cleanup or other service initiatives that benefit both the campus and the wider community. This event not only demonstrates appreciation for veterans' efforts but also reinforces the value of serving and contributing to society. Friday - Veterans Appreciation Luncheon / Lunch & Learn: This event serves a dual purpose - it allows students to learn more about the resources provided by KSU for military students and offers an opportunity for everyone to better connect with military students. The luncheon provides a platform for sharing information about support services available at the university, fostering a more inclusive and supportive environment for military-affiliated individuals. Overall, the KSU Military Appreciation Week offers a well-rounded series of events that not only show gratitude to our soldiers but also emphasize the importance of community, support, and service. It creates opportunities for students to come together, learn, and build lasting connections while showing appreciation for those who have served and continue to serve our country.

#### **15. Kennesaw Pride Alliance: Marisol Payero (1 of 2)**

This event is designed to celebrate the Latino/Hispanic community of Kennesaw State. It serves to clear up misconceptions, bring awareness to issues these communities face, and to celebrate the rich culture and history of the LGBT+ Latino community. The Kennesaw Pride Alliance (KPA) has effectively used SABAC funding for events in the past several years by servicing students and members with practical events and services. During the COVID-19 pandemic of the 2019-20 and 2020-21 school years the KPA managed to provide, at least, 308 students with access to community building and educational resources such as formal dances, lectures/workshop, and similar events. In the academic year of 2021-2022, KPA's Pride Gala was able to garner and provide for 142 students with this singular event. In the academic year of 2022-2023, the KPA garnered and provided for 126 students with two events. Prior to the pandemic, the KPA has serviced countless students since its founding in 1991 and has left a lasting impression on the cultural awareness of prior Kennesaw State students. It is our hope that we are able to continue providing quality service to all KSU students through the use of SABAC funding. The Heritage Celebration is an open event set up to provide attendees with an authentic Latino food and drink experience. This event will have food and drinks ordered through supplier 0000420336.
