

Eligibility for PHE 4750 - Seminar and Internship in Public Health Education (PHE) requires the following

1. Completion of ALL B.S. in PHE Program requirements with a C or higher, Adjusted GPA of 2.5, Admission to the PHE Major, and Approval of the PHE Internship Coordinator. Successful remediation of PHE Student Dispositions, if applicable.
2. Submission of the PHE 4750 Seminar and Internship Application and completed PHE program check sheet to the PHE Internship Coordinator by the designated due dates on the application form (also provided below). Students are responsible for completion of the program check sheet. Verification of the completion of all course and program related requirements must be confirmed with the student's academic advisor. All course substitutions must be completed prior to beginning the PHE internship.

THE PHE 4750 INTERNSHIP APPLICATION MUST BE SUBMITTED TO THE PHE INTERNSHIP COORDINATOR BY THE FOLLOWING DATES:

- April 1 for internships which will be completed during the Fall Semester
- October 1 for internships which will be completed during the Spring Semester
- February 1 for internships which will be completed during the Summer Semester
