Professional Experience

Kennesaw State University, Kennesaw, GA

January 2024-present

Lecturer of Nursing

- Provide instruction to undergraduate nursing students at the university's School of Nursing through various means, including lectures, high-fidelity simulations, small group facilitation, and hands-on skills training in the school's Pathophysiology, Pharmacology, Health Assessment, Nursing Leadership, Holistic Health, Adult Health, and Complex Health courses.
- Oversaw the implementation of a pilot Dedicated Education Unit at Piedmont Atlanta Hospital, serving as a liaison and coordinator between university and hospital leadership, adjunct clinical faculty, students, and other stakeholders.
- Participate on the Honors Committee, reviewing scholarship applications, interviewing students, and selecting recipients for the Wellstar Tom & Betty Phillips Elite Honors Nursing Scholarship.
- Participate on the New Student Success Committee, planning and conducting the School of Nursing's twice-annual New Student Orientation program.

Mercer University, Atlanta, GA

February 2021-December 2023

Adjunct Clinical Faculty

- Served as per diem faculty for the Georgia Baptist College of Nursing's Accelerated Bachelor of Science in Nursing program, delivering both online and in-person clinical instruction to undergraduate nursing students in Nursing Fundamentals and Adult Nursing Science courses.

Wellstar Health System, Marietta, GA

May 2022-December 2023

Coordinator, Nurse Career Navigator Program

- Served as liaison between Wellstar and Kennesaw State University's School of Nursing, providing professional development opportunities and support to undergraduate nursing students, including designing and implementing a new nurse-to-student mentorship program, providing shadowing opportunities, participation in shared governance meetings, and organizing recognition events.
- Oversaw and expanded Wellstar's Rising Star Nurse Extern Program, including delivering presentations, conducting hands-on skills trainings, coordinating guest speakers, and assigning continuing education modules.
- Planned, organized, and conducted Wellstar's first ever High School Summer Nurse Camp, including securing guest speakers/educators/counselors, designing activities, and teaching CPR, patient assessment, and bleeding control skills to 28 high school students.
- Assisted in the instruction of various ongoing skills and professional growth courses, such as charge nurse training, BLS Provider classes, and professional development presentations for Wellstar's Nurse Residency Program.

Wellstar Health System, Marietta, GA

April 2020-May 2022

Nurse Professional Development Educator Specialist

- Designed, developed, and implemented course content for Wellstar's six-week Acute Care Fellowship program for nurses, including lectures, presentations, case studies, interactive games, evaluation surveys, and coordination of guest speakers.
- Oversaw Wellstar's Preceptor Training Course, updating the curriculum to reflect current evidence-based practices used in the precepting of new employees, delivering monthly presentations, establishing the system's first Preceptor Advisory Council, and assisting in the piloting of the new TSAM precepting model in our hospitals.
- Assisted in the development and delivery of numerous other courses for the system, including virtual Acute Care Onboarding, transition nurse, EKG interpretation, and NCLEX preparation classes, as well as hands-on medical and trauma skills training.

Emory Johns Creek Hospital, Johns Creek, GA
Unit Charge Nurse – Emergency Department

August 2019-April 2020

- Supervised and trained the clinical staff of a busy 27-bed community hospital Emergency Room, ensuring safe, appropriate, and timely patient-centered medical treatment of patients of all ages.
- Responsible for facilitating the department's throughput by assisting with patient care, communicating with other departments and providers, and addressing workflow issues in order to deliver efficient patient care and promote prompt discharge or admission.

Children's Healthcare of Atlanta, Atlanta, GA
Assistant Nurse Manager

November 2017-August 2019

- Provided treatment and transport to young medical and trauma patients for a high-volume pediatric critical care transport department.
- Responsible for day-to-day ground and flight operations of the department, including logistics, staffing, communications, outreach, quality assurance, on-call coverage, and clinical oversight of patient care by 15 Registered Nurses.

Wellstar North Fulton Hospital, Roswell, GA
Trauma Outreach Coordinator

September 2016-November 2017

- Became our hospital's first Trauma Outreach Coordinator, designing and building a brand-new public outreach program from scratch, based on evidence-based research, aimed at reducing injury in our diverse community population through careful analysis of our trauma registry.
- Served as EMS Liaison, communicating with our EMS partners, coordinating patient care, implementing new feedback mechanisms, developing quality improvement initiatives, publishing a quarterly EMS newsletter, overseeing the installation and training of our new EMS radio system, and organizing continuing education opportunities for RNs, paramedics and EMTs.

Wellstar North Fulton Hospital, Roswell, GA
Registered Nurse, Emergency Department

August 2014-September 2016

- Assessed, triaged and treated various medical and trauma patients for a busy 26-bed Emergency Room in a Georgia's first American College of Surgeons certified Level II Trauma Center.
- Became a department preceptor for new employees/nursing graduates and a member of the hospital's Peer Review Committee after only one year of employment.
