

CURRICULUM VITAE

Vanda Doreen Wagner, PhD, RN, CNOR, FAORN, FAAN

Professor of Nursing, Nurse Scientist
Interim Associate Director of Graduate Programs

WellStar School of Nursing, Kennesaw State University
Prillaman Hall, Office 3033
520 Parliament Garden Way, MB #4102
Kennesaw, GA 30144-5591
office phone: 470-578-3512 dwagne18@kennesaw.edu

EDUCATION

Doctor of Philosophy in Nursing Science, University of South Florida, Tampa Fall 2007

- Concentrations/Cognate: Adult Health Research/Education
- Dissertation Topic: *Effect of a Preoperative Warming Intervention on the Acute Phase Response of Surgical Stress*
 - Distinguished Dissertation Award
- Dissertation Chair: Dr. Maureen Groër, Gordon Keeler Professor
- Graduate Research Assistantship – Supervisor: Dr. Groër
- Advisor: Dr. Mary Evans

Master of Science in Nursing, Georgia State University, Atlanta Fall 1993

- Concentrations: Adult Health/Clinical Nurse Specialist Track, Education
- Thesis: *A Historical View: The Decline of Perioperative Clinical Experiences in Nursing Curricula*
- Thesis Chair: Dr. Carolyn Kee
- Graduate student member of GSU School of Nursing Curriculum Committee

Associate of Science in Nursing, Tallahassee Community College, Tallahassee, FL Spring 1984

PROFESSIONAL LICENSES

Professional Nursing License # R075899, Georgia Board of Nursing	1985 - 2027
Professional Nursing License # RN9250532, Florida Board of Nursing	2006 - 2008
Professional Nursing License # RN1560292, Florida Board of Nursing	1984 - 1997

PROFESSIONAL CERTIFICATIONS

CNOR ~ Certification in Perioperative Nursing Practice # 1397281	1989 - 2026
Certified SoF Trainer (Meditation) – MacTavish Behavioral Health, LLC	2017
Basic Life Support, American Heart Association	Maintained- expiration 2026

PROFESSIONAL EXPERIENCE

Academic

Kennesaw State University, WellStar School of Nursing, Kennesaw, GA August 2007-present

Interim Associate Director Responsibilities - Oversee graduate programs and carry out such duties as assigned by the Director. These duties include, but are not limited to, assisting with, advising, scheduling, monitoring enrollment, assisting part-time faculty, representing the Director at college and/or university meetings, and completing special projects as assigned by the Director.

Assistant Director Responsibilities - Provide leadership, support, and consultation for tenure-track and non-tenure track faculty regarding research and evidence-based projects within the WSON. Facilitate the conduct of research and scholarly activity by all nursing faculty, undergraduate and graduate nursing students, and collaborative partners. In addition, advance nursing research productivity to align with the Wellstar School of Nursing Mission/Vision/Values and the Wellstar College of Health and Human Services R2 Roadmap.

Faculty Responsibilities – Teach and coordinate undergraduate and graduate courses – classroom, hybrid and online settings; clinical supervision of students; foster student success; Honors faculty role - mentoring undergraduate Honors students as Contract and Capstone Project advisor/supervisor; mentor graduate students by serving as a research project supervisor, thesis chair, second reader on thesis committees, and as a member of dissertation committees; mentor and supervise undergraduate and graduate research assistants; conduct research, professional service, leadership, and community activities; Research Laboratory Coordinator for Psychoneuroimmunology Biomarker Lab #3405.

Professor and Nurse Scientist

August 2018 - present

Interim Associate Director of Graduate Programs

August 2024 – July 2025

Interim Associate Director of Graduate Programs, Research and Scholarship

August 2025 - present

- Graduate Faculty status
- Research Laboratory Coordinator – Psychoneuroimmunology Biomarker Lab #3405
- Undergraduate Honors Faculty

Assistant Director of Nursing Research & Scholarship

January 2022 – May 2024

Honors Faculty Fellow of the KSU Journey Honors College

August 2023 to May 2024

- Graduate Faculty status
- Research Laboratory Coordinator – Psychoneuroimmunology Biomarker Lab #3405

Associate Professor and Nurse Scientist

August 2013 to 2018

- Promoted and Tenured Fall 2013
- Graduate Faculty appointment (*Full Status - Spring 2013*)
- Research Laboratory Coordinator – Psychoneuroimmunology Biomarker Lab #3405
- Department Honors Liaison and Honors Faculty

Assistant Professor and Nurse Scientist

August 2007 to 2013

- Research Laboratory Coordinator – Psychoneuroimmunology Biomarker Lab #3405
- Honors Faculty

North Georgia College and State University, Department of Nursing Dahlonega, GA

Responsibilities – Teaching and clinical supervision

Assistant Professor - Adult Health Nursing/part-time

August 2002 to December 2006

PROFESSIONAL EXPERIENCE continued

Georgia Perimeter College, Department of Nursing, Clarkston, GA (formerly Dekalb College)

Responsibilities – Teaching, clinical supervision, advising, course coordination, and professional service.

Assistant Professor

September 1999 to May 2000

Instructor

September 1993 to May 1999

Practice

Patient Safety Systems Improvement Coordinator

July 2001 to April 2002

Wellstar Health System, Marietta, GA

- Assessed/ analyzed/reported System's preparedness related to JC patient safety initiatives
- Coordinated, presented and facilitated patient safety initiatives through routine educational offerings, committee leadership and actions, and system-wide newsletter publications
- Developed, conducted, presented first system-wide FMEA education as Project Leader

Risk Management Claims Specialist

December 2000 to July 2001

Wellstar Health System, Marietta, GA

- Managed claims with legal services coordination and conducted risk management education

Administrative Nursing Supervisor (prn status)

January 1991 to August 1994

Dunwoody Medical Center, Atlanta, GA (formerly known as Shallowford Hospital)

- Supervised nursing and ancillary staff hospital wide through coordination of staffing patterns

Quality Assurance Analyst (prn status)

January 1991 to August 1994

Dunwoody Medical Center, Atlanta, GA (formerly known as Shallowford Hospital)

- Reviewed medical charts related to standards of care and prepared reports for Peer Review

Surgical Services Nursing Staff Nurse (prn status)

January 1991 to August 1994

Dunwoody Medical Center, Atlanta, GA (formerly known as Shallowford Hospital)

- Provided safe patient care in OR

Surgical Services Staff Development Instructor

October 1988 to January 1991

Dunwoody Medical Center, Atlanta, GA (formerly known as Shallowford Hospital)

- Developed and implemented first staff development program for Surgical Services
- Organized, evaluated and reported Surgical Services Quality Assurance activities

Perioperative and Medical/Surgical Staff Nurse

April 1987 to October 1988

Health Pro Agency of Shallowford Hospital, Atlanta, GA

- Provided safe patient care in OR and on medical-surgical units on all shifts

Perioperative Staff Nurse/ Surgical Charge Nurse

June 1985 to April 1987

Georgia Baptist Medical Center, Atlanta, GA

- Provided safe patient care through scrub/circulator roles in 12 suite OR
- Responsible for 28 bed surgical unit and up to 6 staff on 3-11 shift

Medical/Surgical Staff Nurse

June 1984 to June 1985

Tallahassee Memorial Regional Medical Center, Tallahassee, FL

- Provided care on 39 bed surgical unit with occasional charge nurse responsibilities

PROFESSIONAL EXPERIENCE continued

Consulting

Consulting Editor for inaugural Elsevier periodical - *Clinics in Perioperative Nursing Care* 2023 - present

- Invite and confirming at least four Guest Editors per year
- Aid Publisher when Contributors or Guest Editors have failed to meet deadlines for submissions
- Write a Foreword for each issue of the *Clinics*
- Moderate with Guest Editors in 2-4 podcasts per year

Legal Nurse Consultant – independent consulting service (case by case) 1994 - 2023

- Medical chart reviews, literature reviews, Standards/Guideline reviews for documentation
- Expert opinion delivery – perioperative and surgical cases

Perioperative Nurse Consultant to Medical Device Company (Augustine Medical/Arizant) 2002 - 2006

- Surgical site infection risk reduction and temperature management expert
- Educational presentations and provided expert opinion for publications and interviews

Special Consultant – expertise editor (nurse education and perioperative nursing) 1997 - 2000

- W.B. Saunders Company

Perioperative *Clinical Nurse Specialist* Consultant 1994 -1996
DeKalb Medical Center

- Preparation for Joint Commission Review - Policy & Procedure review and revision
- Staff education

PROFESSIONAL MEMBERSHIPS

HONORS AND AWARDS

Teaching

Honors Faculty <i>Fellow</i> of the KSU Journey Honors College	August 2023 to May 2024
Nominee for the KSU Outstanding Teaching Award	2020
Nominee for Amazing Nurses Award/J&J Campaign for Nursing's Future	2013
Who's Who in Collegiate Faculty	Inducted 2010
Award for Outstanding Achievement in Perioperative Academic Nursing Education	March 2009
Who's Who Among America's Teachers	Multiple Year Honoree, 2000 & 2005

Research

Award of First Prize, Concept/Design for Research Posters – AORN Global Conference	April 2025
Journal of Perianesthesia Nurses Mary Hanna Memorial Journalism Award-Research	March 2022
Distinguished Dissertation Award, College of Nursing, University of South Florida, FL	2007
Award for Outstanding Achievement in Perioperative Nursing Research	April 2005
Award of Merit from Johnson & Johnson Medical - National Research Poster Annual AORN Congress, Atlanta, GA	April 1995

Scholarship

Fellow of the Association of periOperative Registered Nurses (Charter Fellow, inducted)	November 2020
Fellow of the American Academy of Nursing, Inducted	October 2020
AORN Award for Excellence in Perioperative Nursing, New Orleans, LA	March 2018
Phi Kappa Phi Honor Society, Faculty Inductee, Kennesaw State University	March 2018
Fellowship - NIH funded Delirium Boot Camp, Harvard/Boston, MA,	November 2015
National Scholars Honor Society, graduate student induction	2007
National Dean's List	Multiple Year Honoree, 2005, 2006, 2007
Federal Professional Nurse Traineeship Award College of Nursing, University of South Florida, FL	June 2007 to December 2007
Linda E. Moody Doctoral Dissertation Support Fund College of Nursing, University of South Florida, Tampa	December 2006
The Chancellor's List, graduate student induction	2005
Federal Professional Nurse Traineeship Award College of Nursing, University of Tennessee, TN	August 2004 to August 2005
Federal Professional Nurse Traineeship Award School of Nursing, Georgia State University, Atlanta, GA	August 1991 to August 1993

HONORS AND AWARDS continued

Service

AORN Award for Outstanding Perioperative Volunteer Leadership Award 2024 annual AORN conference, Nashville, Tennessee	March 2024
Distinguished Honors Faculty Nominee – Kennesaw State University	April 2018
Outstanding Professional Service Award – Kennesaw State University	August 2017
Worldwide Leaders of Healthcare	2016
Kennesaw State University Golden O's Award, Dr. Beggs Guiding Star of the Year, 1 st Runner-up	2012
National Student Nurses Association Elsevier Leader of Leaders Award State Consultant to the Georgia Association of Nursing Students, Pittsburgh, PA	April 2012
Recognition of Service to GANS, GANE Consultant to the GANS, Athens, GA	October 2011
University Scholar Mentor Recognition, Kennesaw State University by Hillary Dobson – KSU WSON Undergraduate 2010 Scholar	April 2010
University Scholar Mentor Recognition, Kennesaw State University by Martina Minneci – KSU WSON Undergraduate 2009 Scholar	April 2009
Wings Recognition by Martina Minneci, Kennesaw State University	May 2009
America's Registry of Outstanding Professionals	2005
Perioperative Nurse of the Year, Suburban Chapter of AORN, Roswell, GA	January 2000

TEACHING, SUPERVISION, AND MENTORING

Courses Taught at Kennesaw State University, WellStar School of Nursing

Undergraduate Course	Title	Times Taught
HON 1100	Introduction to Honors Education	3 times
HON 2400	Honors Discovery: Stress, Humor, & Health	1 time
HON 3000	Health, Humor and Stress	4 times
HON 3000	Science of Stress	1 time
HON NURS 4402	Nursing Research for EBP	1 time
BIOL 3317	Pathophysiology (coordinator)	23 times
NURS 3313	Medical-Surgical/Adult Health (coordinator)	15 times
NURS 4417	Practicum – Clinical Faculty	22 times
NURS 4431	Psychoneuroimmunology	15 times
NURS 4402	Nursing Research for EBP (One section)	21 times
NURS 4416	Leadership in Nursing (coordinator)	3 times
NURS 4419	Nursing Leadership Practicum (Seminar faculty)	1 time
NURS 4436	Foundations in Perioperative Practice	9 times

TEACHING, SUPERVISION, AND MENTORING continued

Courses Taught at Kennesaw State University, WellStar School of Nursing

<u>Graduate Course</u>	<u>Title</u>	<u>Times Taught</u>
NURS 7745	Graduate Research I	5 times
NURS 7747	Graduate Research II	5 times
NURS 7765	Pathophysiology for AP Nurse	1 time
NURS 7776	Theory and Research for Advanced Nursing Scholarship	1 time
NURS 8863/7863	Graduate Thesis/Project	15 times

Courses Taught at Georgia Perimeter College, Clarkston, GA, Department of Nursing

<u>Course</u>	<u>Title</u>	<u>Times Taught</u>
NURS 1904	Pharmacology II (co-coordinator)	3 times
NURS 1903	Pharmacology I (co-coordinator)	4 times
NURS 234	Transition into Practice	5 times
NURS 150	Advanced Medical Surgical	5 times
NURS 131/1901	Foundations in Nursing	7 times
NURS 133/1903	Medical-Surgical Nursing	7 times

Student Advising

Advising of Undergraduate Students

I routinely advise undergraduate students on academic and career issues as questions arise. In addition, I provide information regarding the nursing program to potential KSU students and high school students.

Student Supervision/Mentoring

Honors Students

Honors Faculty Supervisor

Abby Evans, Serene Boudiab, & Nicolas Roncal, Honors Capstone Advisor Spring 2025-Summer 2025
Capstone – *The Effect of Meditation on Student Nurses' Stress*

Yulisa Flores, Honors Faculty Supervisor Spring 2023

The Influence of Surgical Stress and Inflammatory Biomarkers on the Occurrence of Postoperative Delirium

Completed HLE - Annotated Bibliography on the biomarker CRP and postoperative delirium, Spring 2023

Taniyah Wright, Honors Capstone Advisor Fall 2022-Spring 2023

Capstone - *IL6 as a Biomarker of Post-Operative Delirium in Critically Ill Patients*

Rachael Eister, Honors Capstone Advisor Fall 2013-Spring 2015

Capstone - *Salivary Biomarkers of Stress in Student Nurses Engaged in Simulated Clinical Skills*

Madeline Dodd, Honors Contract/Extended Annotated Bibliography/NURS 3313 Spring 2014

Kari Hill, Honors Contract/Extended Annotated Bibliography/NURS 3313 Spring 2014

Madison Hanscom, Honors Capstone Advisor Fall 2013-Spring 2014

The Effects of an Expressive Writing Technique on Several Measures of Stress. Presented posters at KSU Symposium for Student Scholars & Georgia Undergraduate Research in Psychology (GURP) Convention.

TEACHING, SUPERVISION, AND MENTORING continued

Amberly Brooks. Honors Capstone Advisor Fall 2010-Spring 2012
Survey of Kennesaw State University Student Handwashing Practices, Beliefs, and Knowledge

Honors WSON Liaison

Alice Barry. Capstone Advisor – Ms. Sutton Fall 2019-Summer 2020
 Winner of Most Outstanding Honors Senior
Breaking the Stigma: Advocating for Women's Health in the Homeless Population of KSU
 Presented poster at the KSU Symposium for Student Scholars

Honors WSON Liaison

Kathryn Bruno. Capstone Advisor – Dr. DeChesnay Fall 2017-Spring 2018
 Winner of Outstanding Honors Capstone Award
Content Analysis - The Link Between Animal Abuse and Interpersonal Violence

Adeaze Okere. Capstone Advisor – Dr. Myers Fall 2017-Spring 2018
Impact of HIV Educational Approaches
 Presented poster at the KSU Symposium for Student Scholars

Tania Jeje. Capstone Advisor – Dr. Maguire Fall 2017-Spring 2018
Cultural Competency towards the Middle Eastern Population as seen through the Lens of Middle Easterners.
 Presented poster at the KSU Symposium for Student Scholars

Undergraduate RN-BSN Students

Supervisor/Preceptor

Nhan Ngyen. Fall 2013
 Advanced Clinical Project – *Exploring the Roles of a Nurse Researcher and Research Assistant*

Undergraduate Research Assistants

Alex Rausbach. PNI Lab Research Assistant volunteer (PreMed/Biology Student) Fall 2023-present
 Multi-disciplinary Study - *Effects of Cognitive Workload in Body Behavior*
 Internal Funding-Department of Industrial and Systems Engineering

Emily Clarke. *First Year Scholars Program* (Biochemistry/Psychology Student) Fall 2023-Spring 2024
 Multi-disciplinary Study – Psychoneuroimmunology Hormone and Stress Biomarker Assays
 KSU 2025 Goldwater Scholarship nominee
 NCUR poster presentation

James Kitchens. *First Year Scholars Program* (Premed Student) Fall 2023-Spring 2024
 Multi-disciplinary Study – Psychoneuroimmunology Hormone and Stress Biomarker Assays
 NCUR poster presentation

Laura Wilkinson. *First Year Scholars Program* (Psychology Student) Fall 2023-Spring 2024
 Multi-disciplinary Study – Psychoneuroimmunology Hormone and Stress Biomarker Assays
 NCUR poster presentation

Paul Schmidt. PNI Lab Research Assistant volunteer (Nursing Student) Spring 2023-Summer 2023
 AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

TEACHING, SUPERVISION, AND MENTORING continued

Undergraduate Research Assistants

Yulisa Flores – Thrive and Achieve Atlanta (THAAT) Research Program Fall 2022-Spring 2023

Office of Undergraduate Research funds - \$2000 research support

AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

NCUR poster presentation for Spring conference and KSU Spring Symposium: *The Influence of Surgical Stress and Inflammatory Biomarkers on the Occurrence of Postoperative Delirium*

Kirstin Davis - Thrive and Achieve Atlanta (THAAT) Research Program Fall 2022-Spring 2023

Office of Undergraduate Research funds - \$2000 research support

AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

NCUR poster presentation for Spring 2023 conference and KSU Spring Symposium 2023

Taniyah Wright. PNI Lab Research Assistant (Biology Student) Fall 2021-Spring 2023

AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Poster presented at KSU Fall Symposium 2021 – Presentation Award Winner - 2nd Runner up

KSU 2022 Goldwater Scholarship nominee

Benjamin Ryle. PNI Lab Research Assistant (Biology Student) Fall 2021-Spring 2023

AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Poster presented at KSU Fall Symposium 2021– Presentation Award Winner - 2nd Runner up

Justin Machado. PNI Lab Research Assistant (Biology Student) Fall 2021-Fall 2022

AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Poster presented at KSU Fall Symposium 2021– Presentation Award Winner - 2nd Runner up

Nicolle Soto-Reyna. PNI Lab Research Assistant (Biology Student) Fall 2021-Summer 2022

AACN Study: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Poster presented at KSU Fall Symposium 2021– Presentation Award Winner - 2nd Runner up

Sahil Bardai. PNI/ANL Lab Research Assistant (Biology Student) Fall 2021-Fall 2023

R15 study: *Sex-linked Factors Related to PTSD Risk*

Poster presented at Fall 2022 and 2023 Annual Biomedical Research Conference for Minoritized Scientists

Poster presented at KSU Spring and Fall Symposium 2022 and 2023

Olivia Lauzon. PNI/POSE Lab Research Assistant (Psychology Student) Fall 2017-Spring 2019

Estrogen and emotion regulation study with salivary data retrieval.

Poster presented at KSU Spring Symposium 2017, 2018, & 2019

Jesse Edmonds. PNI/POSE Lab Research Assistant (Psychology Student) Fall 2017-Spring 2018

Estrogen and emotion regulation study with salivary data retrieval.

TEACHING, SUPERVISION, AND MENTORING continued

Undergraduate Research Assistants

Luana Scienza. PNI/POSE Lab Research Assistant (Psychology Student) Spring 2017-Fall 2017
 Estrogen and emotion regulation study with salivary data retrieval.
 Podium presented at NCUR 2017 and poster presented at KSU Spring Symposium

Nhat (Amy) Nguyen. PNI/POSE Lab Research Assistant (Psychology Student) Spring 2017-Fall 2017
 Estrogen and emotion regulation study with salivary data retrieval.
 Poster presented at NCUR 2017 and KSU Spring Symposium

Rebekah Falin. PNI/POSE Lab Research Assistant (Psychology Student) Spring 2017-Fall 2017
 Estrogen and emotion regulation study with salivary data retrieval.
 Poster presented at NCUR

Chanel Lindstrom. PNI/POSE Lab Research Assistant (Psychology Student) Spring 2017-Fall 2017
 Estrogen and emotion regulation study with salivary data retrieval.
 Poster presented at KSU Spring Symposium

Bethany Wyman. PNI/POSE Lab Research Assistant (Psychology Student) Spring 2017-Fall 2017
 Estrogen and emotion regulation study with salivary data retrieval.

Jasmine Williams. PNI/POSE Lab Research Assistant (Psychology Student) Spring 2017-Fall 2017
 Estrogen and emotion regulation study with salivary data retrieval.

Undergraduate Student Assistance for Leadership in Teaching (SALT) Students

Rosemary Parks, funding for student assistance for 100 hours for project activity Fall 2012-June 2013
Salivary Biomarkers of Stress in Student Nurses Engaged in Simulated Clinical Skills

Randi Sullivan, funding for student assistance for 100 hours for project activity all 2011-June 2012
Launching Research Activities in a New Psychoneuroimmunology Laboratory

Graduate Research Assistants

Faye Li. Graduate Research Assistant (MSN Program) Fall 2024-Spring 2025
 Supervised/mentored during manuscript preparation: 1) *Relationship among cortisol, dehydroepiandrosterone sulfate (DHEAs), reproductive status, and acoustic startle*; 2) *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Confidence Nwalor. Graduate Research Assistant (MSN Program) Spring 2024
 Supervised/mentored during manuscript preparation: *Relationship among cortisol, dehydroepiandrosterone sulfate (DHEAs), reproductive status, and acoustic startle*

Narah LaTortue. Graduate Research Assistant (MSN Program) Spring 2022, Spring 2023-Fall 2023
 Supervised/mentored during conduct of research in the clinical research setting.
 Funded GRA by AACN Grant: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Louisa Mensah. Graduate Research Assistant (MSN Program) Fall 2022
 Supervised/mentored during conduct of research in the clinical research setting.
 Funded GRA WCHHS/AACN Project: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

TEACHING, SUPERVISION, AND MENTORING continued

Graduate Research Assistants

Brittney Owens. Biology MS Student Spring 2022-Summer 2022

Supervised/mentored during conduct of assay of biomarkers in the biomarker laboratory.

Funded GRA by AACN Grant: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients*

Fan Yu. KSU Graduate Research Assistant (Statistics Masters Program) Fall 2015

Supervised/mentored during data entry and analysis of multiple data sets

Alexander Keifer. KSU Graduate Research Assistant (Statistics Masters Program) Spring/Summer 2015

Supervised/mentored during analysis of multiple data sets and review of methodology sections of proposals

Gunseli Gozutok. KSU Graduate Research Assistant (Statistics Masters Program) Spring 2014-Fall 2014

Supervised/mentored during analysis of multiple data sets and collaboration on manuscripts and proposals.

Graduate Students - Masters Theses/Projects

Narah LaTortue. Master of Nursing Research Project Chair Fall 2021-Fall 2023

Topic: *Anesthesia Agents and the Risk of Postoperative Delirium in Adult Non-cardiac Surgical Patients: An Integrative Review*

Selected as a SIGMA *Rising Star of Research and Scholarship* – to present her Integrative Review in March 2023 at the SIGMA conference – Washington, DC

Brittney Owens. Master of Science-Integrative Biology, Thesis Committee Spring 2022-Spring 2023

Topic: *Sex Differences in Biomarkers of Post-Traumatic Stress and Post Operative Delirium*

Laura Anderson. Master of Nursing Research Project Chair

Topic: *Perioperative Staff Incivility*

Fall 2021-dropped program

Stephanie Green. Master of Nursing Research Project Chair

Topic: *Costs of Nurse Staffing*

Fall 2020-dropped program

Jeena Daniel. Master of Nursing Research Project Chair.

Fall 2020-Fall 2021

Topic: *Nursing interventions to Reduce Hospital Readmissions after Percutaneous Coronary Interventions- Integrative Review*

Erika Sneed. Master of Nursing Research Project Chair.

Fall 2019-Spring 2021

Topic: *CRRT education*

Maureen Wagura. Master of Nursing Research Project Chair.

Fall 2019-Fall 2020

Topic: *Home Tele Monitoring of Pulmonary Function in Underserved Rural Patients with COPD*

Mary Zima. Master of Nursing Research Project Chair.

Fall 2019-Fall 2020

Topic: *Sepsis*

Marissa Rebello. Master of Nursing Thesis Chair.

Fall 2018-Fall 2019

Topic: *The Relationship Between Emotional Intelligence, Perceived Stress and Coping in the Undergraduate Nursing Student*

Riley Lovell. Master of Nursing Research Project Chair.

Fall 2018-Fall 2019

Topic: *A Survey of Nurses' Knowledge of Delirium: A Replication Study*

TEACHING, SUPERVISION, AND MENTORING continued

Graduate Students - Masters Theses/Projects

Heather Taylor. Master of Nursing Thesis Chair. Fall 2014-Fall 2016

Topic: *Effects of Electronic Health Record Use on the Ambulatory Surgical Services Nurse's Time*

Sheena Cole. Master of Nursing Project Committee member.

Spring 2014-Fall 2014

Topic - *Integrative review: The Use of Aggressive Cancer Treatment near the End-of-Life*

Graduate Nursing Students – Masters Clinical/Classroom Teaching

Janet Givler, KSU MSN student (NURS 7875) Fall 2023

Precepted for classroom setting (NURS 4402-Qualitative content)

Andi Johnson, KSU MSN student (NURS 7875)

Fall 2022

Precepted for classroom setting (NURS 4402-Qualitative content)

Stephanie Jones, KSU MSN student (NURS 8874)

Summer 2013

Precepted for classroom setting (NURS 4490-PNI content)

Laura Crawford, KSU MSN (NURS 8874)

Spring 2010

Precepted in both clinical (NURS 3313) and classroom setting (BIOL 3317 content)

Graduate Students - Doctoral Dissertations

Aquib Reshad. Dissertation Committee member.

Fall 2024- present

Topic: *Exploring the Impact of Cognitive Workload and Psychosocial Factors on Biomechanical Responses in Healthcare Activities*

Kathy Barnett. Dissertation Committee member.

Fall 2017-Fall 2021

Topic: *Characteristics of Substance Addicted Mothers that Predict Graduation from a Family Treatment Court*

Anne W. Batson. Dissertation Committee member.

Fall 2018-Fall 2019

Topic: *Do Service Satisfaction and Self- Efficacy Explain CPAP Adherence in a sample of Patients with Obstructive Sleep Apnea?* (dropped program ABD)

Mentoring of WellStar Research Fellowship Program - Fellows

Susan Tebbe and Anne Schultz

2011 - 2013

Project: *The Effects of Time to Target Temperature and other Co-variants of Hypothermia Treatment on Outcomes of Cardiac Arrest Patients*

Cindy Fred and Sharon Ford

2009 - 2012

Project: *Intra-operatively acquired pressure ulcers and perioperative normothermia: a look at relationships*

Publication: Fred, C., Ford, S., **Wagner, V.D.**, & Van Brackle, L. (2012). Intra-operatively acquired pressure ulcers and perioperative normothermia: a look at relationships. *AORN Journal*, 96(3), p. 251-260.

SCHOLARSHIP OF TEACHING, RESEARCH AND CREATIVE ACTIVITY

RESEARCH GRANTS, CONTRACTS, AND PROJECTS

Funded Projects as PI - External

Wagner, V.D., Pearcey, S., & Ahmadi, T. (2021-2024) AACN Impact Research Grant. *Influence of Unplanned Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients* \$49,500 (Completed data collection March 2021-June 2024)

Wagner, V.D. & Hooper, V. Association of periOperative Registered Nurses (AORN) Foundation Grant (2018). *Investigation of Unplanned Intraoperative Hypothermia Patterns and Relationships in Surgical Patients Warmed with Forced Air: A Secondary Analysis* \$25,000 (Completed)

Wagner, V.D. & Hooper, V. American Society of Perianesthesia Nurses (ASPN) Grant (2017). *An Exploration of Postoperative Delirium and Unplanned Perioperative Hypothermia in Surgical Patients* \$10,000 (Completed)

Wagner, V. D. AORN Nursing Degree Completion Grant (2007). *The Effect of a Preoperative Warming Intervention on the Acute Phase Response of Surgical Stress*. Dissertation/University of South Florida \$10,000 (Completed)

Wagner, V.D., Byrne, M., & Kolcaba, K. Arizant Healthcare Grant (2004). *The Effects of Comfort Warming in Preoperative Patients*. \$25,000 (Completed)

Wagner, V.D. AORN Nursing Degree Completion Grant (1992). *A Historical View: The Decline of Perioperative Clinical Experiences in Nursing Curricula*. Master's Thesis. Georgia State University. \$600 (Completed)

Funded Projects as Co-PI - External

de Valladares, L.V., **Wagner, V.D.**, Geil, M. (2024 – Submission) NIH R15 AREA Grant *Mental Workload and Body Behavior: Insights into Preventing Work-Related Musculoskeletal Disorders in Healthcare* \$428,610 (under review)

Wright, I., Mayes, C.G., **Wagner, D.**, Stucky, C. (2023-2024) *Prioritizing AORN Guideline Research Gaps: A Delphi Study*. National AORN E-Chapter Grant \$1000 (In progress)

Glover, E., Pearcey, S. **Wagner, V. D.** (2020-2024) NIH R15 AREA Grant - NoA: 1 R15 MH125303-01 *Using Tools in Translational Neuroscience to Study Sex-linked Factors Related to PTSD Risk* \$ 406,312 (Completed-Sept. 2020-August 2024)

Funded Projects as PI - Internal

Wagner, D. (Fall 2022-Spring 2023). Thrive and Achieve Atlanta (THAAT) Research Program Office of Undergraduate Research funds - \$4000 research support on Project: *Perioperative Hypothermia and Inflammatory Biomarkers on Delirium Incidence in Critically Ill Non-Cardiac Adult Surgery Patients* (Completed)

Wagner, V.D. & Pearcey, S. Office of Vice President of Research Grant (OVPR Internal Grant 2014 – 2016 with extension) *Surgical Stress, Perioperative Temperature, and Postoperative Delirium: A Pilot Study* \$10,000 grant received with \$3000 in kind from WSON (Completed)

SCHOLARSHIP OF TEACHING, RESEARCH AND CREATIVE ACTIVITY

RESEARCH GRANTS, CONTRACTS, AND PROJECTS

Funded Projects as PI - Internal

Wagner, V. D. & Pearcey, S. (2013) CETL Incentive Funding Awards for Scholarship & Creative Activity. *Salivary Biomarkers of Stress in Student Nurses Engaged in Pass/Fail Simulated Clinical Skills Performances*. \$7988 (Completed)

Wagner, V.D. SALT Program, Student Success, (Fall 2012-June 2013). SALT Project: *Salivary Biomarkers of Stress in Student Nurses Engaged in Simulated Clinical Skills*. \$800 (Completed)

Wagner, V.D. SALT Program, Student Success, (Fall 2011-June 2012). SALT Project: *Launching Research Activities in a New Psychoneuroimmunology Laboratory*. \$800 (Completed)

Funded Projects as Co-PI - Internal

de Valladares, L.V., **Wagner, V.D.**, Geil, M., Whiddon, A., & Reshad, A. (2023-present). Internal Funding-Department of Industrial and Systems Engineering. *Effects of Cognitive Workload in Body Behavior*. (In progress)

Pearcey, S. M., **Wagner, V. D.**, Randall, C. K., Holtz, C. S., McNamara, C. L. CETL Grant (2016). Faculty Learning Community - Psychology and Nursing Faculty create an interdisciplinary Honors program. \$6710.00 (Completed)

Bremner, M., Blake, B., **Wagner, D.** CETL Grant (2014) Incentive Funding Awards for Scholarship & Creative Activity *The effects of Reiki Therapy on stress, anxiety and depression in persons newly diagnosed with HIV: A pilot study*. \$8000 (Completed)

Research Projects – No Funding

Barnett, K. B., **Wagner, D.**, & Ray, H. E. (2023-2024) *Comparing the success of mothers and fathers with substance use disorders in the Family Treatment Court*

Hawkins, M. & **Wagner, D.** (2023-2024) *Insights from a Single Word: WSON Nursing Faculty Perspectives about the 2021 AACN Essentials Integration into Undergraduate Curriculum* (PI decided to stop the project)

Ulmer, B., Hudgins, C., **Wagner, D.**, & Pearcey, S. (2021). *Electrosurgical Smoke Knowledge and Safety Practices Before and After Onset of COVID-19: A National Survey*. (Completed)

Proposals Submitted, External - Not Funded

Dyal, M., Bagasra, A., Pearcey, S., & **Wagner, D.** October 2019, NIH R15 AREA Grant. *Mind over Matter: The Impact of Mental Health Literacy in the Management of Chronic Disease at Work*, \$ 299,991.00

Wagner, V.D. – Mu Phi Chapter of Sigma Grant (March 2018). *Nursing Students' Perceptions of Learning in a Perioperative Dedicated Education Unit* \$500

Wagner, V.D., Hold, J. & Byrne, M. – National League for Nursing Education Grant – (February 2015). *Relationships among Perceived Stress, Stress Responses, Self-Care, and Burnout in BSN Students: A Longitudinal, Mixed Methods, Multi-Site Study* \$25,000

SCHOLARSHIP OF TEACHING, RESEARCH AND CREATIVE ACTIVITY

RESEARCH GRANTS, CONTRACTS, AND PROJECTS-continued

Proposals Submitted, External - Not Funded

Wagner, V.D., Hold, J. & Byrne, M. – National League for Nursing Education Grant – (February 2014)
Relationships among Contributing Factors of Stress and Self-Care in BSN Students: A Mixed Methods, Multi-Site Study \$25,000

Wagner, V. D. - LRP NIH GRANT (December 2009). *Psychoneuroimmunological Pathways: Effects of Perioperative Warming on Preoperative Anxiety, Surgical Stress and Postoperative Outcomes*

Sowell, R., Blake, B. & **Wagner, V. D.** NIH Challenge Grant Application - 1 RC1 HD063769-01 – written reviews received (August 2009). Collaborative grant application with a research team from Georgia Technical Institute: *Development of a Point-of-Care System for Infant HIV Screening at Resource-limited Settings*.
