 Electronic Fetal Monitoring: National Certification Corporation (2012- present)
 Advanced Life Support: American Heart Association (2022)
 Basic Life Support: American Heart Association (1995- present)

PROFESSIONAL EXPERIENCE

- 8/2022- present **Limited Term Assistant Professor**, *Kennesaw State University, Kennesaw, Georgia.*
 Primary teaching responsibilities in clinical courses include lab instruction, and clinical group instruction, for BSN students in an undergraduate nursing program. Responsible for overseeing evidence-based student instruction, answering student inquiries, evaluating scholarly writings, and conducting competency assessments.
- 1/2022- 6/2022 **Part-Time Nursing Clinical Instructor**, *Kennesaw State University, Kennesaw, Georgia.*
 Responsible for instruction, oversight, mentoring, and evaluation of students' practical application of classroom information, proficiency in required techniques, quality of communication, and ability to organize patient care in the clinical setting.

- 4/2021- 1/2022 **Assistant Nurse Manager Women’s Unit, Wellstar Kennestone Regional Hospital, Marietta, Georgia.**
Supervised and assisted in managing 44 clinical registered nurses and support staff on an acute care unit focusing on women’s health and the postpartum patient. Evaluated clinical and support staff for bi-yearly performance evaluations, in addition to facilitating the hiring process of new staff members.
- 4/2018- 3/2021 **Specialty Registered Nurse, Intermountain Avenues Women’s Center, Salt Lake City, Utah**
Provide and assist with patient care for women within the obstetrical and gynecological office. Responsibilities include but not limited to providing women’s health services such as assisting with physical exams, performing phone triage and care coordination, patient education, abnormal lab and pathology follow-up, and immunization.
- 2/2014- 3/2018 **Nurse Coordinator I/Charge Nurse, Intermountain LDS Hospital, Salt Lake City, Utah.**
Managed the development and administration of care for a 19-bed labor and delivery unit. Delegated assignments to nurses and techs, identified potential shortcomings in patient treatment, and provided professional development when needed to ensure staff met optimal care standards.
- 10/2012- 2/2014 **Team Lead Registered Nurse, Intermountain Riverside Hospital, Riverton, Utah.**
Facilitated training and orientation for new nurses and nursing students while simultaneously leading the daily workflow of nurses and patient care technicians for a 14-bed labor and delivery unit.
- 1/2007- 8/2012 **Charge Nurse, The Ohio State University Wexner Medical Center, Columbus, Ohio.**
Effectively supervised nurses and ancillary staff while coordinating the work of interdepartmental teams in a 24-bed high-risk antepartum, and labor and delivery unit.
